

The Osher Lifelong Learning Institute at UC San Diego is a membership program for adults over the age of 50 who want to enrich their lives through continued learning and engagement. Osher features twice-daily lectures and seminars by the outstanding faculty and researchers of UC San Diego and the entire San Diego academic community, as well as local leaders, artists, and musicians. Class topics include Medicine, Science, Law and Society, History, Art and Humanities, International Relations, Literature, and Social Sciences. Informed member-led discussions of current events and Live Music Fridays enhance the Osher experience at UC San Diego.

*"We have switched from  
the classroom to Zoom.  
It is terrific. We see  
mostly the same faces  
and always new subjects  
but no commute and no  
parking to be early for.  
Zoom is so easy that  
even I can do it.  
In many ways, Osher  
has been one of the most  
enriching contributions to  
my retirement life.  
Join Now. You'll love it!"*
