Welcome to UC San Diego
Over the years, UC San Diego has enthusiastically welcomed international students. No matter how diverse their backgrounds, our students share one thing in common: an adventurous spirit of learning. They choose UC San Diego because of its worldwide research reputation, its prize-winning faculty, and the innovative character of the San Diego region. In return, they enjoy one of the most valuable educational experiences of their lives.

Taught by talented instructors, UC San Diego Extension programs offer the most advanced knowledge and education formats available. Students quickly benefit from immediately applicable information, a wider network of peers, and a more insightful understanding of American culture. In combination with UC San Diego’s striking coastal location, our programs are unlike any others in the United States.

Welcome . . . we look forward to meeting you.

**BRAZIL**

I am so glad that I studied at UC San Diego’s English Language Institute (ELI). The Intensive Academic English program has a variety of courses that have been a great support for the improvement of my English proficiency. Studying at ELI has given me the opportunity to come into direct contact and create friendships with other students from different cultures.
Why Choose UC San Diego Extension International Programs?

CONVERSATION LEADERS
Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours during the program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English. ELI’s expert conversation instructors design and supervise the lessons and conversation activities so that the students’ time with the Conversation Leaders will have maximum benefit.

STUDENT HEALTH SERVICES
Registered international students at UC San Diego Extension have access to UC San Diego’s Student Health Services. The campus Student Health Services center provides quality primary medical care, including urgent care and support services such as laboratory, pharmacy, and x-ray.

The Student Health Services center is located on campus and is open Monday – Friday, 8:00 a.m. – 4:30 p.m. (Service hours may vary.) For emergencies, students must go to Thornton Hospital, which is also located on campus.

UC SAN DIEGO AND UC SAN DIEGO EXTENSION RESOURCES
Students have access to many University and University Extension resources:
• Highly experienced International Student Services staff
• State-of-the-art language lab
• Two daytime computer labs, one for personal use and one for class work
• Academic advising
• Athletic facilities, recreational classes, and two Olympic-size swimming pools
• Wide variety of on-campus dining facilities
• Campus social and cultural activities
• Campus lectures and performances
• Organized activities and field trips
• Thornton Hospital

This chart shows the twelve core proficiency levels, from beginning to very advanced, in ELI’s 10–week programs. Placement in ELI’s core levels can only be determined by ELI’s placement tests upon the student’s arrival.

On average, students move up one core level per session. Exceptional students may sometimes advance two levels.

ACADEMIC ADVISING
Our Academic Advisor guides students who are interested in applying to a college or university in the United States. Every quarter students can attend an information session to assist them in understanding the American university system. Additionally, a College Fair is held twice a year so students can obtain information and application materials from representatives of the many colleges and universities in San Diego.
Why Choose UC San Diego English Language Institute?

The UC San Diego English Language Institute (ELI) is officially accredited by the Commission on English Language Program Accreditation (CEA). CEA is recognized by the U.S. Department of Education as a national accrediting agency for English language programs and institutions. This recognition gives CEA the distinction of being the only specialized accrediting agency for English language programs and institutions in the U.S. CEA's mission is to promote excellence in the field of English language teaching and administration through accreditation of English language programs and institutions worldwide.

Studying at the UC San Diego English Language Institute (ELI) was my best decision ever. The intensive Business English program provided me instruction of the highest quality to help me communicate with different people from different countries, and understand their business practices. I am convinced that my academic experience at UC San Diego ELI will create future opportunities for success. I want to thank my teachers at the English Language Institute for all their support, help, and advice that made me a better person as well as a better student.

SPECIAL NOTE: Students who enroll in the Intensive TOEFL Preparation and Intensive Business English programs must arrive for the first day of the published start-date. Due to planning requirements, we cannot accept late arrivals for these programs. Students who do not arrive for the first day of the published program start-date will lose their space and will automatically be transferred into our Intensive Academic Program for the quarter.

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The choice of elective courses offered depends on the student’s English level and sufficient enrollment in the courses. UCSD-ELI reserves the right to make decisions on how to handle all issues related to a student’s program placement and the ELI’s needs for staffing and resource allocation.

For English language class electives, see Communication and Culture and Intensive Academic programs on page 6.

Students with strong academic records and very advanced English skills may prefer to enroll in the University and Professional Studies Program. (See pages 14-15.)

Students must have excellent final grades in all UCSD-ELI classes and positive comments from all UCSD-ELI teachers, in the program prior to starting the IPU program. Students must have excellent attendance in all UCSD-ELI classes in the program prior to starting the IPU program.

Note: In the summer, this program may only be taken with a combination of English classes and UC San Diego Extension classes. Regular university classes are not available in this program in the summer.

Tuition: $4,450*

*Tuition does not include optional student recreation fee, optional library use fee, any required course lab fees, or additional premium tuition for certain technical courses and graduate-level courses.

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The choice of elective courses offered depends on the student’s English level and sufficient enrollment in the courses. UCSD-ELI reserves the right to make decisions on how to handle all issues related to a student’s program placement and the ELI’s needs for staffing and resource allocation.
UNIVERSITY PREPARATION ACADEMY

This program focuses on preparing students to enter a bachelor’s or master’s degree program in highly selective and competitive American universities.

Admission Requirements

• High school or university transcripts for the four most recent semesters must show grades in the top 5-10%. Transcripts must be in English.
• New students must have a language proficiency score 90 iBT or 7.5 IELTS
• Continuing students coming directly from UC San Diego’s ELI 10-week programs must have excellent attendance and grades in previous ELI classes, placement in one of ELI’s highest proficiency levels, and certain minimum scores on ELI’s placement exams. (Specific requirements for continuing students are available from the ELI Academic Advisor.)

Program Description

• 25 hours per week of rigorous class content and substantial homework load
• Can be taken for one or two quarters
• Focus on writing, research, and speaking excellence for university success
• Development of effective skills for meeting faculty and peer expectations in the American university classroom

Academic Advising:

• Matching student’s goals and record of achievement to university admission standards
• Choosing a degree program
• Guidance in the application process to ensure timely and complete submission of university application materials

University Preparation Classes, including:

- Research Paper Writing
- Paraphrasing and Summarizing
- Analytical Reading and Critical Response
- Discussion and Fluency for University Success

For continuing students in the Academy, three or four hours per week of Academy class time may be substituted for one main-campus credit-bearing class, depending upon the student’s goals and in consultation with the Academic Advisor.

Courses are offered on a rotation basis depending on the quarter when a student enters the program. ELI reserves the right to make changes to the program and course offerings depending on total enrollments and student needs.

Follow-On Programs:

Students who complete one or two quarters in the ELI Academy have the opportunity to continue their studies at the ELI until they receive University admissions. Students may enroll in the Intensive Academic English program, Intensive Pre-University program, and/or University and Professional Studies program before or following completion of one or two quarters in the Academy.

Tuition: $3,950

Mission Statement of the English Language Institute

It is our mission to provide English language instruction of the highest quality, in which people can learn to their full potential, develop a deeper understanding of the United States, and always receive courteous and knowledgeable service.

Murilo Amaral
BRAZIL

In the University Preparation Academy (UPA), I developed specific skills that will be imperative during my MBA program. This preparation will make a positive impact in my performance and confidence, because when the MBA classes begin I will be focusing on learning my field and not on adapting to the American university culture and study skills requirements. My main professor in the UPA program is not only the most prepared teacher I have had, but also the one that has helped me the most in the tough process of preparing for success in a master’s program. In addition to studying, I had an amazing experience taking part in a 5K running course through the UC San Diego campus. It was a full-moon night and all the buildings were beautifully illuminated. The view and the environment were fantastic and I had an exhilarating time.

ELI 10-Week Recent Program Statistics

• Average number of students each ten weeks: 525

IMPORTANT NOTES: Not all elective courses are offered in every quarter or at every level. The choice of elective courses offered depends on the student’s English level and sufficient enrollment in the courses. UCSD-ELI reserves the right to make decisions on how to handle all issues related to a student’s program placement and the ELI’s needs for staffing and resource allocation.

A program for serious students who want to increase their English fluency through business content studies. The focus is on working in teams, making presentations, negotiating, meeting skills, business vocabulary, and writing while surveying topics such as American Business, Marketing, Finance, International Trade, Management, and Human Resources. This program includes expert guest speakers and visits to local businesses. Guest speaker dates and company visits vary according to availability.

**Substantial homework.**

**Tuition:** $2,200

*SPECIAL NOTE ABOUT BUSINESS ENGLISH AND MEDICAL ENGLISH:*

Only high-intermediate and advanced students will be accepted into these programs. This corresponds to a minimum score of approximately 80 on the iBT or 7.0 on the IELTS or Cambridge Advanced: Pass. Students who do not obtain minimum scores on UCSD-ELI placement exams will be transferred to the Academic English program.

Participants must have previously taken an anatomy/physiology course. This intensive program focuses on the mastery of specific medical vocabulary and idioms, and improvement in the ability to communicate in English in a hospital or clinical setting.

**Topics include:**

- U.S. healthcare delivery system
- the language of patient interaction
- human anatomy and physiology
- medical history-taking
- trauma and emergency care
- diagnostic and treatment procedures
- development of presentation and medical writing skills

UC San Diego is a major center for medical research and development in healthcare. This program features expert guest speakers as available. Due to visitation restrictions and patient privacy laws, we do not guarantee visits to hospitals and clinics nor observations of actual medical procedures as part of the Medical English program.

**Substantial homework.**

**Tuition:** $2,500

Conversational Leaders

Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours during the program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English.

ELI’s expert conversation instructors design and supervise the lessons and conversation activities so that the students’ time with the Conversation Leaders will have maximum benefit.
Advisory About Variable Enrollments

Enrollment numbers in our Academic, Conversation, and Conversation and Fluency programs vary greatly from month to month. If our placement tests indicate that a student’s English proficiency level does not permit placement in the original 2- or 4-week program class, we may place the student in 2 or 4 weeks of study in a corresponding 4-week or 10-week program, or we may provide a combination of classes to ensure a full-time program of 20 hours per week for 2 or 4 weeks. Alternatively, we may decide to place all 2- or 4-week program students in level-appropriate classes in a corresponding 4-week or 10-week program in order to provide a program of 20 hours per week for 2 or 4 weeks. When this happens the students’ 2- or 4-week program will have the features described for the new 4- or 10-week program, not the features described for the original program. The tuition and fees for the students’ 2- or 4-week program enrollment will remain the same.

A demanding program for serious academic students. Focus on developing fluency and accuracy in all language skills. Considerable time is spent on grammar, reading, and writing. Students will be placed into a core class according to their English level as demonstrated on ELI’s placement tests upon their arrival. In addition, students will have two elective courses. Choices may include:

- Vocabulary development
- Writing development
- Advanced listening and speaking
- TOEFL preparation
- Pronunciation
- Reading skills

**Substantial homework.**

**Tuition:** $1,900

**Note:** Electives are on a space-available basis.

**SPECIAL NOTE ABOUT ACADEMIC ENGLISH:**

Only high-intermediate and advanced students will be accepted into this program. This corresponds to a minimum score of approximately 71 on the iBT or 6.0 on the IELTS or First Cambridge Exam (FCE): Pass. Students who do not obtain minimum scores on UCSD-ELI placement exams will be transferred to the Conversation and Fluency program. In June, when Conversation and Fluency is not offered, students testing lower than high-intermediate will receive classes to ensure a full-time program of 20 hours per week.

JAPAN

I’m a pharmaceutical student and one of my goals is to be able to discuss medical issues in English. In that regard, Medical English was extremely helpful to me. Not only did it provide me with basic medical knowledge and vocabulary, but also deep insights on a lot of medical topics, such as health care programs of several countries, the most common diseases in several countries, and so on. Only a few English Language Institutes have this course and I am certain I made the best choice among them. My teacher was the best.

WORK EXPERIENCE: OPTIONAL PRACTICAL TRAINING (OPT)

After one academic year (three consecutive quarters) of full-time study in a non-language program in the United States, students can apply for permission to work up to 12 months in their field of study as a practical application of what they have learned. This is called Optional Practical Training (OPT).

The International Student Services (ISS) staff will assist students with their application for OPT. The ISS staff has a very high success rate with OPT applications. They cannot, however, guarantee the approval of the application by the U.S. government.

Please note that the International Student Services staff does not assist with job search or job placement services.

APPLYING FOR UNDERGRADUATE ADMISSION TO UC SAN DIEGO

It is difficult to enter UC San Diego as a foreign student in the first year. It is much easier to transfer from a California community college (after two years of study) into the third year at UC San Diego. In recent years over 90% of transfer students come from California community colleges. This is the best pathway to undergraduate UC San Diego admission for most international students.

For more information on undergraduate admission to UC San Diego, visit internationaladmissions.ucsd.edu. Students interested in taking UC San Diego or Extension courses should see the University Preparation Academy (page 9), the UPS program (pages 14-15), Business Certificate programs (pages 17-21), or the TEFL Certificate programs (pages 22-23).

The differences between University of California, California State University, and the California Community Colleges

The University of California has 10 campuses, more than 220,000 students, and is designed for the best qualified students. Only the top 12.5% of California high school students are eligible for entry, but a much smaller percentage is accepted. universityofcalifornia.edu

The California State University has 23 campuses, over 433,000 students, and is much more inclusive than the University of California system. The top 25% of California high school students are eligible for entry. calstate.edu

The California Community Colleges has 109 campuses, over 2.8 million students, and provides the first two years of college education only. Students spend their first two years at a community college and then transfer to one of the campuses of the University of California or California State University, to complete their last two years of undergraduate study. cccco.edu
SUMMER SESSION

Enroll in Summer Session and experience California’s beach culture while studying at one of the most prestigious universities in the world.

This program is for students who have a strong academic background, and who would like to take a full-time or part-time schedule of credit-bearing courses at UC San Diego. Summer Session consists of regular university courses compressed into two five-week periods. Both sessions are very rigorous. A schedule of 8 units (usually two classes) is considered full-time study. Students must achieve above-average final grades in all coursework (“B” or better).

If you have very advanced English language skills, excellent grades, and are prepared to work hard, you can take a full-time schedule of credit-bearing courses at UC San Diego and/or UC San Diego Extension while studying alongside American UC San Diego students.

UNIVERSITY AND PROFESSIONAL STUDIES (UPS)

The UPS program is also suitable for working professionals who wish to improve their knowledge to help them stay current with industry trends and changes.

Universities in many countries count these credits towards their own bachelor’s or master’s degree programs. Transferability is at the discretion of the home university and must be verified in advance by the student.

Program Features:

- 12-week program (per quarter)
- Official UC San Diego or UC San Diego Extension transcript – credit may be transferable to another college or university in the U.S. or your home country
- Regular academic advising sessions
- Students must achieve above-average final grades in all coursework ("B" or better).
- In the fall, winter, and spring quarters, UPS students take a full-time program (12 units) consisting of UC San Diego and/or UC San Diego Extension courses in any combination.

The following are some of the departments and courses that UPS students have enrolled in:

**Anthropology**

The cool thing about the UPS program is that you can pick and choose classes from both UC San Diego Extension and UC San Diego main campus classes. I loved how I had full freedom to pick the classes that I wanted to fill up my 12 units.
Tuition*:
$7,800 per 12-unit quarter. Additional tuition is required for more than 12 units. For dates please see pages 2–3.

*Tuition does not include optional student recreation fee, books, any required course lab fees, or additional premium tuition for certain technical courses, graduate-level courses, and seminars. Tuition will increase in January 2016.

#### Additional Requirements:

1. Copy of transcripts in English for the four most recent semesters of academic studies. These transcripts must clearly indicate excellent academic achievement - top 10% in your school.

2. List of 12 or more courses per quarter, organized by quarter, that you would like to take at UC San Diego or UC San Diego Extension. Be sure to use the UCSD Course List form for this. You will find the Course List Form on our website under "What to Send" in our "How to Enroll" section. Make sure to check the prerequisites for each class. To be eligible to enroll into classes, all prerequisites must have been taken.

3. A one-page statement explaining your reasons for choosing UC San Diego for your study abroad experience.

Participating in this educational program does not in itself provide preference in admission to the University of California degree programs. Students interested in applying to UC degree programs should refer to the UC Admissions website, or the websites of other UC campuses they wish to attend, for details about their admissions process.

### Enrollment on a Space Available Basis

Enrollment in all classes is on a space-available basis and requires instructor and/or departmental approval after the student arrives. If there are no available spaces, the instructor may require that the student wait for several days to see if any other students drop the class before enrolling a UPS student. Many class enrollments are not confirmed and completed until the second or third week of the quarter. It is especially difficult to get enrollment approvals for first-choice classes in our prestigious Economics department.

### Important Information about Choosing Classes

Some graduate-level courses are not available to UPS students. UPS students may not enroll in graduate business courses at the Rady School of Management or any courses in the School of Medicine or the School of Pharmacy. Most graduate-level courses at Scripps Institution of Oceanography are not open to visiting UPS students. Availability of graduate-level courses in other departments is limited and strictly controlled for prerequisites. UC San Diego Extension courses in Business and leadership, Management Development, Master of Advanced Studies, and Law are not permitted for enrollment through UPS.

It is very important to be flexible in your course selection and include a list of 12 or more classes per quarter that you would like to take when applying for admission to the UPS program. For a complete list of all UC San Diego courses please see the “Full Schedule of Classes” section at: [students.ucsd.edu](students.ucsd.edu)

For a list of UC San Diego Extension course offerings please see: [extension.ucsd.edu/studyarea/index.cfm](extension.ucsd.edu/studyarea/index.cfm)

Students may also enroll in the UPS program in order to complete one or more of UC San Diego Extension’s part-time professional certificate programs.

P.R. China

UC San Diego has broadened my horizon. The grading process is different from most Chinese schools, requiring reading assignments, in-class quizzes, projects, and class participation. As an international student, I got a lot of help from professors and teaching assistants during class and during their office hours. UC San Diego encourages international vision. I have been able to make friends from all over the world and deeply expand my thoughts and outlook on many things. Studying abroad is not easy—it requires you to balance study and having fun. However, as my dad says, “obstacles make a stronger you.”
Summer Youth Program for University Immersion

UC SAN DIEGO’S SUMMER YOUTH PROGRAM: ACADEMIC CONNECTIONS INTERNATIONAL (ACI)

Academic Connections International (ACI) is a summer 3-week UC San Diego academic and residential immersion program targeted to international secondary students who are 16-18 years of age and have advanced English proficiency.

Students enroll in one course to explore a particular topic in depth. In addition to a challenging and active learning experience, social and recreational activities are planned for the afternoons and on weekends.

This program is for students with strong academic records and advanced English proficiency who would like to have an insightful American pre-university preparation experience along with American teenage students.

Program Features:
- On-campus housing with American students for three weeks
- Breakfast, lunch, and dinner at campus cafeteria
- UC San Diego academic instruction and activities
- An opportunity to take various chaperoned field trips to local sites
- Access to laboratory equipment as part of classwork
- Guest speakers
- Project supplies
- Transportation to and from scheduled field trips during the program
- Constant adult supervision

The courses for Academic Connections 2015 will be determined and posted on our website in February 2015. For a complete list of courses offered in previous ACI programs, please see our website: www.ip.extension.ucsd.edu.

Application and Enrollment:
- Completed International Programs application and the Supplemental ACI Application
- Copy of transcripts in English for two most recent years of academic studies. Student must have a strong academic history.
- Completed Recommendation Form from secondary school English instructor, attesting to proficiency equivalent to the internet-based TOEFL 80 or Advanced Cambridge level or CEFR-C1
- TB Form (page A6 of International Programs application form)

Dates: July 12-August 1, 2015

Tuition: $5,300

For more information and the supplemental ACI application, please see: ip.extension.ucsd.edu or contact ipinfo@ucsd.edu. This program does not qualify for an I-20.
Business Certificate Programs Overview

If you are an international student with advanced English language proficiency, and you are looking to launch or accelerate your career in business, then these business programs are just what you need to acquire the expertise necessary to advance in your career.

These business programs are designed specifically to add breadth and depth to your existing knowledge and skills and help you achieve your professional goals.

Starting in 2015, the business department is pleased to offer four programs:

- **BUSINESS ESSENTIALS**
- **INTERMEDIATE BUSINESS ESSENTIALS**
- **BUSINESS MANAGEMENT**
- **PROJECT MANAGEMENT**

The popular Business Management and Business Essentials certificate programs offer students the opportunity to build job skills and knowledge or to prepare for graduate studies through an extensive introduction to U.S. business practices. To complement the classroom experience, internships are incorporated into both of these business programs, allowing each student the opportunity to apply what is learned in an American workplace and gain a competitive edge in the global job market.

Given the increased demand for project managers worldwide, the business department offers an intensive certificate program in Project Management that can be completed in two quarters. Intermediate Business Essentials, is designed for the student who has earned a Bachelor’s degree and possesses a high-level proficiency in English. This post-baccalaureate, enriched business training option consists of one, two or three quarters of study.

All Business Certificate Programs

1. **Can I apply without all the required documents?**
   
   No. You will need to wait to apply until you have all the required documents. The only exception is if you have all the required documents except the language score AND you are currently attending the UC San Diego Extension English Language Institute (ELI). Only students who attend UCSD-ELI can apply for conditional acceptance to the business certificate programs.

2. **What is conditional acceptance?**
   
   It means you are provisionally accepted based on all requirements except for the language score. This is strictly for students currently attending a 10-week English language program at UC San Diego Extension ELI. An acceptable language score is still required before you will be fully accepted.

3. **Is there a deadline to apply?**
   
   Given the popularity of the programs, it is recommended to submit the application FIVE months in advance for the Business Essentials program and THREE months in advance for the other business programs. Admission is competitive, and not all applicants are admitted to the program. NO APPLICATIONS WILL BE ACCEPTED WITHIN THE FINAL TEN DAYS BEFORE A PROGRAM’S START-DATE.

4. **Is a car required?**
   
   Yes, access to a car or other reliable transportation is required, as some classes (day and/or evening) are located at the off-campus UC San Diego Extension facility (University City Center), which has very limited or no public transportation.

5. **Can I add an extra quarter after I arrive?**
   
   Yes; however, if the student requests and is approved for a longer program, the student must pay a $500 USD Business Program Extension fee, plus any additional tuition required for the longer program. However, if the student requests and is approved for a longer program during the first week of classes in his/her first quarter, the Business Department will waive the $500 Program Extension fee.

The Business Management Certificate I received from UC San Diego Extension qualified me to pursue a career in banking. My internship at the local bank turned into a full-time position through OPT. I started work as a Loan Operations Specialist, and after six months I was transferred to the position of Personal Banker. Five months later I was offered a job as a Credit Analyst.
Business Essentials is designed for international students who are 21 years old and above, with at least two years of university study and minimal work experience, who wish to obtain a broad introduction to American business practices.

Program Benefits:
- Develop business skills, knowledge and abilities by learning American business fundamentals.
- Participate in multiple business modules and get broad exposure to varied business disciplines.
- Complement classroom work and gain practical experience in an American workplace by completing a 48-hour unpaid on-campus internship.
- Study alongside international and American students in some classes and build your network.
- Apply for OPT after three consecutive quarters of study.

PROJECT MANAGEMENT (2 QUARTERS) $12,000

The Project Management Program is designed for the student who has obtained a bachelor’s degree and one to two years of full-time, post-university, professional work experience AND who is seeking a practical, hands-on approach to gaining the knowledge and tools necessary for handling complex projects within various types of organizations and industries. Based on the Project Management Body of Knowledge (PMBOK) developed by the Project Management Institute (PMI), the curriculum provides an in-depth study of the elements essential to initiate, execute and complete a successful project.

Program Benefits:
• Develop highly marketable competencies in project management.
• Build strong interpersonal skills critical to conducting work in a team environment; enhance abilities to manage conflicts and address challenging situations.
• Complete a final capstone class, where you will have the opportunity to use the tools acquired in the program to complete a directed-studies project.
• Study alongside American students in some of the classes, building your professional network.
• Fulfill the necessary education hours needed for the PMP or CAPM Certification exam.
• Take this alone or in sequence with another business program; apply for OPT after three consecutive quarters of study.
• Upon completion of the Certificate in Project Management, some units can be transferred to the University of Wisconsin, Platteville, M.S. in Project Management (Master’s degree offered fully online). Learn more at: www.uwplatt.edu/disted/project-management.html

PROJECT MANAGEMENT ADMISSION REQUIREMENTS

1. Official final transcripts in English indicating a strong academic history; include grading key.
   a) Minimum requirement is successful completion of a bachelor’s degree.
   b) Applicants who have pursued graduate-level coursework or degrees must include those transcripts as well.
2. One or two years of full-time, post-university, professional-level work experience. Internships and part-time work will not be counted.
3. Dated and signed letter of recommendation on university or company letterhead from a professor or supervisor.
4. Resume or CV
5. Essay: minimum 200 words explaining your qualifications and motivation for taking the program.
6. A spoken language phone screening may be required for students applying to Project Management. This can be conducted in person if the applicant is already in San Diego; otherwise it will be done electronically by phone, Skype, etc.

JAPAN

I was an EFL teacher for six years before I came to UC San Diego Extension to take the TEFL Certificate program, and I was not as new to the subjects being taught in class as most of my classmates. However, the TEFL Certificate program helped me to understand tendencies of international students from various backgrounds, and how to apply other EFL teaching methods and techniques to my lesson plans. It was very beneficial to me.

Program Highlights
• Receive a TEFL Proficiency Certificate or a Professional Certificate in TEFL
• Develop effective ESL/EFL teaching skills
• Learn first-hand from experienced ESL/EFL instructors
• Study alongside American students (Professional Certificate only)
• Improve English language skills
• Qualify for Optional Practical Training after three consecutive quarters of Certificate study
• The Graduate School of Education of Alliant International University (AIU) in San Diego will accept transfer credits from UC San Diego Extension’s Teaching English as a Foreign Language (TEFL) Certificate Programs to its Master of Arts in Education with an emphasis in Teaching English to Speakers of Other Languages (TESOL). For more details, contact our TEFL Coordinator, Kim Lawgali, at tefl@ucsd.edu.

TEFL Certificate Program

TEACHING ENGLISH AS A FOREIGN LANGUAGE (TEFL) PROFICIENCY CERTIFICATE
This three-month course is a foundation course in TEFL for non-native English speakers.

What this program includes
The curriculum consists of the following core courses:
• Introduction to Teaching Writing (27 hours)
• Oral Presentations for Language Teachers (27 hours)
• Introduction to Pronunciation and Fluency for Language Teachers (27 hours)
• Introduction to Teaching English as a Foreign Language (27 hours)

Tuition: $4,750
(Books and materials are not included.)

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a $250 USD discount on their tuition for this TEFL program.

PROFESSIONAL CERTIFICATE PROGRAM IN TEFL
This six-month program focuses on the development of effective classroom teaching skills and modern English language teaching techniques to students in non-English speaking countries and in intensive English programs.

Both prospective and current English teachers can substantially improve their knowledge of English language teaching in this program.

What this program includes
The curriculum consists of the following core courses:
• Theories and Methods of Language Teaching and Learning (27 hours)
• Theory and Methods of Reading Instruction (27 hours)
• Teaching Writing for Academic and Professional Purposes (27 hours)
• Best Methods in Teaching Pronunciation and Fluency (27 hours)
• Best Methods in Teaching Speaking Skills (27 hours)
• Advanced Analysis of English Sentence Structure I (27 hours)
• Best Methods in Teaching Listening Skills (27 hours)
• Test Practicum: Best Methods In Developing and Delivering Lesson Plans

In addition, three all-day Saturday workshops or one additional three-unit elective course must be completed.

Students can choose from several, depending on what is offered each quarter. Some examples are:
• Advanced Analysis of English Sentence Structure II (3 units)
• Oral Presentations for Language Teachers (3 units)
• Grammar and Editing I or II (3 units)
• Music in the EFL Classroom (1 units)
• Teaching TOEFL Prep Classes: Paper and Internet (1 units)
• Pronunciation Workshop: Special Needs in the Asian Classroom (1 units)

Tuition: $8,300
(Books and materials are not included.)

OPTIONAL SUMMER INTENSIVE
Complete the Professional Certificate Program in TEFL in just three months - same courses in a shorter time!

Tuition: $8,300
(Books and materials are not included.)

Note: Students who transfer directly from a 10-week UCSD ELI English program or UCSD-ELI TEFL program will get a $500 USD discount on their tuition for the Professional Certificate Program in TEFL and the Summer Intensive Professional Certificate in TEFL program.
Concurrent TEFL Studies

Students who enroll in the TEFL Professional Certificate, Special Studies in TEFL Certificate, or TEFL Proficiency Certificate may pay for additional classes in order to obtain concurrent certificates in the areas of Teaching English to the Young Learner (TEYL) and Teaching English Grammar (TEG). The TEYL and TEG certificates cannot be taken alone, as they are not eligible as full-time programs, and they do not provide students with an I-20. The required courses and electives for each concurrent certificate may not all be offered in one quarter. It may take up to three quarters to complete each certificate.

TEACHING ENGLISH TO THE YOUNG LEARNER (TEYL)

Students who are already enrolled in the Professional TEFL Certificate and/or the Special Studies certificate, and who are interested in attaining additional competencies in teaching English as a foreign language.

What this program includes

The required courses are:
• TEYL Focus on the Teacher (3 units)
• TEYL Focus on the Learner (3 units)
• TEYL Focus on the Classroom (3 units)

Students can choose 3 units from the available workshops or courses each quarter. Sample workshops include:
• Bookmaking for the EFL Classroom (1 unit)
• Visual Media in the EFL Classroom (1 unit)
• Games for the EFL Classroom (1 unit)
• Music in the EFL Classroom (1 unit)

TEYL certificate fee: $100 (non-refundable)

TEACHING ENGLISH GRAMMAR (TEG)

Students who are already enrolled in the Professional TEFL Certificate and/or the Special Studies certificate, and who are interested in attaining additional competencies in teaching English as a foreign language.

What this program includes

The required core courses are:
• Advanced Analysis of English Sentence Structure I (3 units)
• Advanced Analysis of English Sentence Structure II (3 units)

Students can choose 6 units from the following courses:
• Grammar Workshops I-IV (four different 1-unit workshops)
• Grammar and Editing I or II (3 units each)
• Advanced Grammar Seminar (3 units)

TEG certificate fee: $100 (non-refundable)

Class Schedule and Transportation

Individual schedules depend on emphasis and electives chosen. Most TEFL classes are available at the UC San Diego campus in daytime, but access to a car or other reliable transportation is required for evening and off-site classes. Early enrollment is strongly recommended for best selection of courses and class times.

SPECIAL STUDIES IN TEFL

This is a full-time three-month program of select courses in TEFL and other academic areas to enhance teacher preparation. Students must choose and enroll in a total of 12 UC San Diego Extension units, with the advice and approval of the TEFL Coordinator.

Tuition: $4,750 (Books and materials are not included.)

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a $250 USD discount on their tuition for this TEFL program.

To receive a program proposal, send your request to ipmarketing@ucsd.edu.
To help students make the most of their stay in San Diego, our Activities Manager organizes activities that provide opportunities to meet American students and to go on excursions to nearby attractions.

- Day at the Bay Barbeque & Watersports
- Disneyland
- San Diego Zoo
- SeaWorld
- Universal Studios
- Whale Watching
- Conversation Café
- San Diego Padres Baseball Games
- Paintball
- Surf Day

Activities, such as the Day at the Bay and the Conversation Cafés, are free of charge. Others require a payment to cover transportation and admission tickets.

UC San Diego Sports and Events

While studying at UC San Diego Extension, you can take advantage of all that the UC San Diego campus has to offer. The university is great for outdoor activities and has one of the most comprehensive sports facilities among San Diego schools:

- Indoor and outdoor swimming pools
- Over 20 tennis courts
- Beach volleyball and basketball courts
- Soccer fields
- An aquatic center
- Sailing
- Surfing

MINIMUM AGE REQUIREMENT
You must be at least 21 years old to apply to the business certificate programs, and 18 years old to enroll in other programs. Seventeen-year-old students may be admitted when living with an adult guardian and the parents submit a letter attesting to the student’s maturity. For more information please contact ipadmission@ucsd.edu. This age requirement does not apply to the Academic Connections International youth program.

WHEN TO APPLY
It is recommended to submit the application FIVE months in advance for the Business Essentials program and THREE months in advance for the other business programs. For all business certificate programs, no applications will be accepted within the final ten days before the published program start-date. Please see pages 2-3 for specific application deadlines for our TEFL and UPS programs. There are no application deadlines for our other programs. All programs close when they are full, regardless of application deadlines. In any case, it is best to apply 12–16 weeks before the program start-date to allow enough time for us to process your application and for you to make your visa and travel arrangements.

NOTE: If the required proof of English proficiency or any other required application document is submitted later than the TEFL deadline, a $100 late-submission fee will be required if we are able to accommodate a late application review and if there is space in the program.

CERTIFICATES
Certificates with the UC San Diego university seal are awarded upon successful completion of your program. Excellent attendance and academic performance are essential for certificate eligibility in all programs.

PAYMENT
Total fees and tuition must be received in our office 30 days prior to the published program start-date. Accepted methods of payment: Cash, credit card (VISA/ MasterCard/AMEX/Diners Club/Discover), traveler’s checks, personal check, money order, cashier’s check (drawn in U.S. currency on a U.S. bank), or bank-to-bank transfers using Western Union Business Solutions online. We cannot accept payment by bank wire for the application fee or express mail fee. Please pay these fees by credit card or check (U.S. bank only).

It takes 10 – 15 business days for payments to be applied to a student’s account. Payments made by credit card are sometimes delayed because of credit card limits. Due to these delays, we strongly recommend that students or their agents complete payment of all tuition and fees at least 45 days before their program start-date to ensure timely receipt and recording of payment and to avoid delays in the beginning of the student’s program.

FEES FOR LATE ARRIVAL AND LATE REGISTRATION
If a student arrives on time and is not able to complete registration by the end of the first day of the program or if a new student arrives late, we will charge the student a $200 USD Late Registration Fee. Students should be sure to arrange their travel to San Diego and accommodations in advance so that they can be here for the first day of the program. The first day of the program is the published start-date in our brochure and on our website.

If a student pays all fees to an agency, the student must bring an agency receipt to the program registration to verify that all payments to an agency have been made.

WITHDRAWALS AND NON-REFUNDABLE FEES
All fees are non-refundable and non-transferable. The non-refundable, non-transferable fees are the following: application fee, testing, insurance, International Student Service, express mail, bank-to-bank fees, program change, late registration, and cancellation fees.

Students who applied through an agency or representative are subject to the agency refund policy and will receive any refund through their agency, not from UC San Diego.

All refund requests must be in writing. All charges are subject to change. Please inquire about current charges at time of withdrawal or change of program. Refunds take approximately 5-6 weeks to process.

Refund Schedules

Refunds take approximately 5-6 weeks to process. Charges at time of withdrawal or change of program are subject to the agency refund policy and cancellation fees.

STUDENT VISAS
UC San Diego Extension International Programs is authorized under federal law to enroll non-immigrant alien students. We issue the I-20 form to students who meet our admission requirements and who provide evidence of sufficient financial verification. Almost all students in our full-time programs come to the United States on F-1 student visas. In order to apply for an F-1 student visa, you will need an I-20 Form (Certificate of Eligibility for F-1 Visa). You then take this I-20 to a U.S. Embassy or Consulate and apply for an F-1 Visa.

If you plan to apply for an F-1 visa, please complete the I-20 Request section on page A4 of the application for enrollment in this brochure and provide signatures and a statement of financial verification as indicated. You can also find our application form on our website: www.ip.extension.ucsd.edu and click on the tab called “How to Enroll.”

If you are in any doubt about which kind of visa you need, we recommend that you ask either your local counseling source or the U.S. Embassy or Consulate for information. You may also contact our office at ipinfo@ucsd.edu.

Refund Schedules for Academic Connections International and Summer Session I and II may be found on the UC San Diego Extension International Programs website at www.ip.extension.ucsd.edu.
Note that some housing choices include some meals. Homestay, for example, includes meal costs about $8 - $10. The cost of meals varies greatly depending on budget and tastes, but a good work. All computers have high-speed internet connections and are functional in UC San Diego Extension. Preference for computer lab use is given to class-related work. All international students have access to two computer labs (46 stations) at UC San Diego Extension International Programs’ computer labs, academic advising, visa counseling, housing assistance, campus Student Health Services, and many other general student needs.

Cost: • $140 per short program or seminar of 1-4 weeks
• $350 per quarter or session of 5-10 weeks
• $700 for 2-quarter programs
• $1,050 for 3-quarter programs
• $1,400 for 4-quarter programs

Airport Transportation
The San Diego airport is located in downtown San Diego, about 30 minutes from the UC San Diego campus by car and about 1 hour 20 minutes by bus. There are options according to housing choice: Homestay or rent a room in a home—for an additional fee your host family will pick you up and bring you to the San Diego airport when you return to your country at the end of your UC San Diego studies. Inquire when booking for details. Off-campus apartments by Anatolia—Airport pickup service may be included for stays of 10 weeks or more. Inquire when booking for cost. Off-campus housing by the Marriott Residence Inn—Information about a discount shuttle will be provided after reservation confirmation. Inquire when booking for details.

On-campus housing (summer only)—Information on airport shuttle and taxi transportation is included with UC San Diego Extension International Programs’ acceptance materials.

Books and Instructional Materials
Payment for all books and instructional materials CANNOT be made in advance and are to be purchased upon arrival at UC San Diego. ELI 10-week Programs: approximately $400 per program ELI Short-term Programs: approximately $150-$175 per program (varies by program) Certificate and University Credit Programs: Approximately $200-$800 per quarter.

Computer Labs and Internet Access
All international students have access to two computer labs (46 stations) at UC San Diego Extension. Preference for computer lab use is given to class-related work. All computers have high-speed internet connections and are functional in multiple languages. Printing costs 10 cents per page; no cost for computer use.

Meals
The cost of meals varies greatly depending on budget and tastes, but a good meal costs about $8 - $10. Note that some housing choices include some meals. Homestay, for example, includes breakfast and dinner, and on-campus housing in summer includes three meals per day.

Medical Insurance (required)
Medical Insurance is mandatory for all students. The proof of insurance must be in ENGLISH ON INSURANCE COMPANY LETTERHEAD and INCLUDE DATES OF COVERAGE (start date and end date) FOR THE ENTIRE PERIOD OF YOUR PROGRAM AND FOR ALL FIVE MINIMUM COVERAGE AMOUNTS SHOWN ON PAGE A5 OF THE MEDICAL INSURANCE VERIFICATION FORM. Insurance paid in monthly installments will not be accepted. The Medical Insurance Verification Form on page A5 of the application form must be filled out by the student’s insurance company and sent to iphealth@ucsd.edu at least 30 days before the start of the program. If you do not have adequate proof of insurance for the amounts shown on our Medical Insurance Verification Form, then you must purchase UC San Diego medical insurance. The cost of UC San Diego medical insurance is as follows:

- Programs shorter than 4 weeks $45 per week
- 4-week programs $180
- 5-week Summer Session $225
- 10-week programs & University Credit Programs $540
- Certificate Programs - 1 quarter $630
- Certificate Programs - 2 quarters $1,170
- Certificate Programs - 3 quarters $1,800
- Certificate Programs - 4 quarters $2,340

The UC San Diego Extension medical insurance policy for international students covers hospitalization, with some exceptions, and many other medical expenses, but not dental or eye care. You can purchase dental and vision plans at an additional cost. Medical insurance is non-refundable. (Any accompanying spouse or children must also have medical insurance for the duration of the student’s enrollment at UC San Diego).

For information on this requirement, contact our staff at iphealth@ucsd.edu.

Library Card (optional)
You can use the campus library without charge. To borrow books, however, you must buy a library card: approximately $15 for three months.

UC San Diego Photo Identification Card (optional)
Payment for the UC San Diego photo ID card CANNOT be made in advance and can only be purchased after the arrival at UC San Diego. Cost: $15

Recreation Card (optional)
To use the campus swimming pools, tennis courts, fitness centers, and other campus recreational facilities, you have to buy a “Rec Card,” which is approximately $100 per quarter.

Transportation (optional)
Bike rental: approximately $45 per week, or $130 per quarter.
Shuttle service: free with student ID
Bus pass: $60 for a calendar-month student pass. Unlimited use of city buses and trolleys.
Car rental: approximately $500 per month.
Parking on campus: approximately $61 per month. See parking.ucsd.edu.

OPT Application Assistance (optional)
We provide advising and application assistance to students who apply to the U.S. Citizenship and Immigration Services for permission to work in the U.S. for up to one year under the Optional Practical Training program. (See page 12.) Cost: $100 (Government filing fees are a separate cost.)

Please Note: All fees are subject to change.
