Welcome to UC San Diego

Over the years, UC San Diego has enthusiastically welcomed international students. No matter how diverse their backgrounds, our students share one thing in common: an adventurous spirit of learning. They choose UC San Diego because of its worldwide research reputation, its prize-winning faculty, and the innovative character of the San Diego region. In return, they enjoy one of the most valuable educational experiences of their lives.

Taught by talented instructors, UC San Diego Extension programs offer the most advanced knowledge and education formats available. Students quickly benefit from immediately applicable information, a wider network of peers, and a more insightful understanding of American culture. In combination with UC San Diego’s striking coastal location, our programs are unlike any others in the United States.

Welcome . . . we look forward to meeting you.

Mary Walshok
Associate Vice Chancellor, Public Programs and Dean, UC San Diego Extension

Welcome to UC San Diego Extension International Programs

The benefits of an international experience motivate thousands of people every year to study in the United States. As they seek academic advancement, they also improve their English language skills and cultural understanding.

UC San Diego’s commitment to academic excellence is reflected in the high quality of instruction and curriculum in the programs which are described in this brochure. This, plus our excellent campus facilities, student support services, and idyllic natural surroundings, guarantees the best possible opportunities for your academic success and satisfaction. The information provided here shows, in pictures and in words, why UC San Diego Extension International Programs is the perfect choice for English language studies, university credit, and certificate programs.

We are ready to welcome you to UC San Diego Extension International Programs and to help you get started on the experience of a lifetime!

Why Choose UC San Diego Extension International Programs

CONVERSATION LEADERS
Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours during the program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English. ELI’s expert conversation instructors design and supervise the lessons and conversation activities so that the students’ time with the Conversation Leaders will have maximum benefit.

CONVERSATION PARTNERS
UC San Diego’s English Language Institute provides a list of Conversation Partners to ELI students. Conversation Partners are UC San Diego university students and employees who would like to help international students with English conversation in exchange for the opportunity to learn the international student’s native language. Conversation Partners provide students with the chance to meet and have meaningful interactions with native speakers of English outside of the classroom.

UC SAN DIEGO AND UC SAN DIEGO EXTENSION RESOURCES
Students have access to many University and University Extension resources:

- Highly experienced International Student Services staff
- State-of-the-art language lab
- Two daytime computer labs, one for personal use and one for class work
- Academic advising
- Athletic facilities, recreational classes, and two Olympic-size swimming pools
- Wide variety of on-campus dining facilities
- Campus social and cultural activities
- Campus lectures and performances
- Organized activities and field trips
- UC San Diego Thornton Hospital

ACADEMIC ADVISING
Our Academic Advisor guides students who are interested in applying to a college or university in the United States. Every quarter, students can attend an information session to assist them in understanding the American university system. Additionally, a College Fair is held twice a year so students can obtain information and application materials from representatives of the many colleges and universities in San Diego.

STUDENT HEALTH SERVICES
Registered international students at UC San Diego Extension have access to UC San Diego’s Student Health Services. The Student Health Services center provides quality on-campus medical care. This includes urgent care and support services such as laboratory, pharmacy, and x-ray.

Student Health Services is located on campus and is open Monday – Friday, 8:00 a.m. – 4:00 p.m. (Service hours may vary.) For emergencies, students may go to UC San Diego Thornton Hospital, which is also located on campus.

This chart shows the twelve core proficiency levels, from beginning to very advanced, in ELI’s 10–week programs. Placement in ELI’s core levels can only be determined by ELI’s placement tests upon the student’s arrival.

BRAZIL

I am so glad I studied at UC San Diego’s English Language Institute (ELI). The wide variety of classes improved my overall English proficiency, especially my writing, and the quality of teaching was superb. I only had classes with excellent teachers! Studying at the ELI also gave me the opportunity to better understand many diverse cultures through the friendships I built with other international students. It was a wonderful experience.

CEA ACCREDITED

The UC San Diego English Language Institute (ELI) is officially accredited by the Commission on English Language Program Accreditation (CEA). CEA is recognized by the U.S. Department of Education as a national accrediting agency for English language programs and institutions. This recognition gives CEA the distinction of being the only specialized accrediting agency for English language programs and institutions in the U.S. CEA’s mission is to promote excellence in the field of English language teaching and administration through accreditation of English language programs and institutions worldwide.

Before I came to the UC San Diego English Language Institute, I was very weak in writing and grammar. However, I can confidently say that my writing has improved dramatically and I received a high score on the TOEFL. My teachers were very creative and knowledgeable. It may sound strange, but I always looked forward to my grammar class because of the fun activities we did. I recommend the ELI to students who are serious about their education and want to take their English skills to the next level.

Mission Statement of the English Language Institute

The Intensive Legal English program was extremely important for my career. It prepared me to apply for law school and pursue a master degree in Comparative Law. It really helped me improve my English skills and also provided me with a necessary overview of the most important topics of American Law. I am currently attending the University of San Diego (USD) School of Law and working on my LLM in Comparative Law. After graduation, I plan to sit for the California Bar, so I will be licensed to practice law here.
UNIVERSITY PREPARATION ACADEMY

This program focuses on preparing students to enter a bachelor’s or master’s degree program in highly selective and competitive American universities.

Admission Requirements
- Advanced levels only (ELI core levels 108-110). Proficiency levels will be determined by ELI tests given upon arrival to UC San Diego, or the student must have a language proficiency score of 90 iBT or 7.5 IELTS
- High school or university transcripts for the four most recent semesters must show grades in the top 5-10%. Transcripts must be in English.
- Continuing students coming directly from UC San Diego’s ELI 10-week programs must have excellent attendance and grades in previous ELI classes, placement in one of ELI’s highest proficiency levels, and certain minimum scores on ELI’s placement exams. (Specific requirements for continuing students are available from the ELI Academic Advisor.)

Program Description
- 20 hours per week of rigorous class content and substantial homework load
- Can be taken for one or two quarters
- Focus on writing, research, and speaking excellence for university success
- Development of effective skills for meeting faculty and peer expectations in the American university classroom

Academic Advising:
- Matching student’s goals and record of achievement to university admission standards
- Choosing a degree program
- Guidance in the application process to ensure timely and complete submission of university application materials

University Preparation Classes, including:
- Research Paper Writing
- Paraphrasing and Summarizing
- Analytical Reading and Critical Response
- Discussion and Fluency for University Success
- University Lecture and Note-taking Skills
- GRE test preparation course (optional)

Concentrated Academic Skills, including:
- Academic Reading and Writing
- Public Speaking
- Advanced Vocabulary

For continuing students in the Academy, three or four hours per week of Academy class time may be substituted for one main-campus credit-bearing class, depending upon the student’s goals and in consultation with the Academic Advisor.

Courses are offered on a rotation basis depending on the quarter when a student enters the program. ELI reserves the right to make changes to the program and course offerings depending on total enrollments and student needs.

Follow-On Programs:
Students who complete one or two quarters in the ELI Academy have the opportunity to continue their studies at the ELI until they receive university admission. Students may enroll in the Intensive Academic English program, Intensive Pre-University program, and/or University and Professional Studies program before or following completion of one or two quarters in the Academy.

Application fee: $150
Express mail fee: $50
Tuition: $4,400
Other costs: $935

I applied to the University Preparation Academy with the goal to get accepted and complete a Master’s of Finance at UC San Diego’s Rady School of Management. My instructors helped me create the best possible Statement of Purpose and CV, which definitely helped when I applied to Rady. They also offered me good advice on making appointments with professors. I am happy to report that I was accepted to the Rady School of Management. I was very lucky to have excellent instructors in the University Preparation Academy who always supported me. Every time I return to the English Language Institute, I feel at home. It’s like my home overseas.
CONVERSATION LEADERS

Did you know that ELI students practice speaking English with American UC San Diego students and members of the local community in our Conversation classes?

Conversation Leaders actively participate in several hours of class during the 4-week Conversation program, 4-week Conversation and Fluency program, and elective Conversation classes in many of our 10-week programs. Our ELI students can also practice speaking English with Conversation Leaders during Conversation Cafés, which are held frequently.

CONVERSATION

• Monthly, except April, May, June, and November
• 10 hours per week plus additional field trip time
• Mostly two hours each day, schedule varies
• Beginning, intermediate, and advanced students

This part-time program focuses on building English communication skills and enhancing cultural awareness, with special emphasis on speaking and listening. Students can expect to participate in field trips, class discussions, pair and group work, presentations, and interactions with Conversation Leaders.

Limited homework

This part-time program does not qualify for an I-20.

Application fee: $150
Express mail fee: $50
Tuition: $1,400
Other costs: $320

CONVERSATION AND FLUENCY

• Monthly, except April, May, June, and November
• 20 hours per week
• Mostly four hours each day, schedule varies
• Beginning, intermediate, and advanced students

This popular full-time program focuses on building English communication skills and enhancing cultural awareness, as well as accurately using grammar and vocabulary in reading, writing, speaking, and listening. In addition to field trips, class discussions, pair and group work, presentations, and interactions with Conversation Leaders, students will use their English skills to learn from guest speakers of various fields.

Moderate homework

Application fee: $150
Express mail fee: $50
Tuition: $1,900
Other costs: $320

ACADEMIC ENGLISH

• Monthly except October and December
• 20 hours per week
• Mostly four hours each day, schedule varies
• High-intermediate and advanced students*

This demanding program is for students who want to participate more effectively in academic or professional settings. The program focuses on developing fluency and accuracy in all language skills. Considerable time will be spent on grammar, reading, writing, and oral discussion. Students will take part in class lectures, group work, pair work, and individual study. In addition, students will have two elective courses. Choices may include:

• Reading and discussion
• Research paper writing
• Oral presentations
• Pronunciation and fluency
• Vocabulary development
• TOEFL iBT preparation

Substantial homework

Elective class choices depend on enrollments, the student’s proficiency level, and class sizes.

Application fee: $150
Express mail fee: $50
Tuition: $1,900
Other costs: $320

ADVISORY ABOUT VARIABLE ENROLLMENTS

Enrollment numbers in our Academic, Conversation, and Conversation and Fluency programs vary greatly from month to month. If our placement tests indicate that a student’s English proficiency level does not permit placement in the original 4-week program class, we may place the student in 4 weeks of study in a corresponding 10-week program, or we may provide a combination of classes to ensure a full-time program of 20 hours per week for 4 weeks. Alternatively, we may decide to place all 4-week program students in level-appropriate classes in a corresponding 10-week program of 20 hours per week for 4 weeks. When this happens, the students’ 4-week program will have the features described for the new 10-week program, not the features described for the original program. The hours, tuition, and fees for the students’ 4-week program will remain the same.

*ADVISORY ABOUT LEVEL REQUIREMENTS

Only students who test into high-intermediate and advanced levels on UCSD-ELI placement exams will be accepted into the Academic English, Business English, and Medical English programs. This level requirement corresponds to a minimum score of approximately 60 on the TOEFL iBT, 5.0 on the IELTS, or 160 on the Cambridge Exam: First (FCE). Students who do not qualify will be transferred to the Conversation and Fluency program. In April, May, June, and November, when the Conversation and Fluency program is not offered, students testing lower than high-intermediate will receive a combination of classes to ensure a full-time program of 20 hours per week for four weeks.

Other costs: $320
Tuition: $1,900

WORK EXPERIENCE: OPTIONAL PRACTICAL TRAINING (OPT)

After one academic year (three consecutive quarters) of full-time study in a non-language program in the United States, students with F-1 status can apply for permission to work up to 12 months in their field of study as a practical application of what they have learned. This is called Optional Practical Training (OPT).

The International Student Services (ISS) staff will assist students with their application for OPT and continue advising and supporting their employment authorization period. The ISS staff has a very high success rate with OPT applications. They cannot, however, guarantee the approval of the application by the U.S. government.

Please note that the International Student Services staff does not assist with job search or job placement services.

APPLYING FOR UNDERGRADUATE ADMISSION TO UC SAN DIEGO

It is difficult to enter UC San Diego as a foreign student in the first year. It is much easier to transfer from a California community college (after two years of study) into the third year at UC San Diego. In recent years over 90% of UC San Diego transfer students come from California community colleges. This is the best pathway to undergraduate UC San Diego admission for most international students.

The differences between University of California, California State University, and the California Community Colleges

The University of California has 10 campuses, more than 238,000 students, and is designed for the best qualified students. Only the top 12.5% of California high school students are eligible for entry, but a much smaller percentage is accepted. universityofcalifornia.edu

The California State University has 23 campuses, over 460,000 students, and is much more inclusive than the University of California system. The top 25% of California high school students are eligible for entry. calstate.edu

The California Community Colleges has 113 campuses, over 2.1 million students, and provides the first two years of college education only. Students spend their first two years at a community college and then transfer to one of the campuses of the University of California or California State University, to complete their last two years of undergraduate study. cccco.edu
SUMMER SESSION I (PART-TIME OR FULL-TIME)
SUMMER SESSION II (PART-TIME OR FULL-TIME)
Enroll in Summer Session and experience California’s beach culture while studying at one of the most prestigious universities in the world.

This program is for students who have a strong academic background, and who would like to take a full-time or part-time schedule of credit-bearing courses at UC San Diego. Summer Session consists of regular university courses compressed into two five-week periods. Both sessions are very rigorous. A schedule of 8 units (usually two classes) is considered full-time study. Students must achieve above-average final grades in all coursework (“B” or better).

Dates:
Session I:
July 3–August 5, 2017
Session II:
August 7–September 9, 2017

Tuition:
• Prices will be available and posted to our website in March 2017.
• Payment must be received in full at the time the application is sent.
• For additional costs, see page 27.

IVORY COAST

My main goal is to get into a very good graduate program after my bachelor’s degree. By attending the UC San Diego Summer Session, I had an international experience in an outstanding university very well ranked in my major, which is Political Science. This will definitely give a magic touch to my application for Ph.D. programs in the U.S. After completing a Ph.D., I plan to return to Africa to help in community projects to reduce extreme poverty.

Studying at UC San Diego is an incredible opportunity in every respect. The ample variety of classes to choose from gave me the chance to focus on subjects which interested and challenged me. The professors and staff at UC San Diego supported me in reaching my objectives. Every person I approached with a question has been helpful in every possible way, from my professors and TAs to the staff at the library or print shop, and of course, my academic advisor at UC San Diego Extension.

The professors and staff at UC San Diego challenged me. The professors and staff at UC San Diego have already opened a way, from my professors and TAs to the staff at the library or print shop, and of course, my academic advisor at UC San Diego Extension.

Enrollment in all classes is on a space-available basis and requires instructor and/or departmental approval after the student arrives. If there are no available spaces, the instructor may require that the student wait for several days to see if any other students drop the class before enrolling a UPS student. Many class enrollments are not confirmed and completed until the second or third week of the quarter. It is especially difficult to get enrollment approvals for first-choice classes in our prestigious Computer Science department.

**Important information about choosing classes**

UPS students may not enroll in graduate business courses at the Rady School of Management or any courses in the School of Medicine or the School of Pharmacy.

It is important to be flexible in your course selection and include a list of 12 or more classes per quarter that you would like to take when applying for admission to the UPS program. For a complete list of all UC San Diego courses please see the “Full Schedule of Classes” section at: students.ucsd.edu

For a list of UC San Diego Extension course offerings please see: extension.ucsd.edu/studyarea/index.cfm

Students may also enroll in the UPS program in order to complete one or more of UC San Diego Extension’s part-time professional certificate programs.

**UNIVERSITY AND PROFESSIONAL STUDIES (UPS)** $7,800 (12 units)

For additional costs, see page 27.

The University and Professional Studies program provides a flexible study abroad opportunity for academically excellent students and professionals.

Universities in many countries count these credits towards their own bachelor’s or master’s degree programs. Transferability is at the discretion of the home university and must be verified in advance by the student.

**Program Features:**
- 12-week program (per quarter)
- Official transcript of UC San Diego or UC San Diego Extension grades — credit may be transferable to another college or university in the U.S. or your home country
- Regular academic advising sessions
- Students must achieve above-average final grades in all coursework (“B” or better).
- In the fall, winter, and spring quarters, UPS students take a full-time program (12 units) consisting of UC San Diego and/or UC San Diego Extension courses in any combination.

For more info on substitution options, please contact: ayp@ucsd.edu

**ADDITIONAL COSTS**
- Premium tuition for certain technical courses
- Student Recreation fee, books, required course lab fees, or additional premium tuition for certain technical courses, graduate-level courses, and seminars. Tuition will increase in January 2018.

Business Certificate Programs Overview

If you are looking to launch or accelerate your career in business and you already have advanced English proficiency, UC San Diego Extension’s Business Programs for International Students can help you achieve your goals. Our Business Certificate Programs are led by practicing professionals with direct knowledge of the latest trends in American and international business.

UC San Diego Extension offers four business programs for international students:

- **BUSINESS ESSENTIALS**
- **INTERMEDIATE BUSINESS ESSENTIALS**
- **BUSINESS MANAGEMENT**
- **PROJECT MANAGEMENT**

The Business Essentials program offers an introduction to American business practices through a comprehensive overview of key business topics including cross-cultural communication, human resources, marketing and more. First-quarter students can participate in on-campus workplace experiences (internships). The program is designed for students who have earned a bachelor’s degree and possesses a high level of proficiency in English.

Intermediate Business Essentials provides a step up from the Business Essentials program. This business training option consists of one, two, or three quarters of study and offers a hands-on experiential learning course that analyzes real-world businesses. This program is designed for the student who has earned a bachelor’s degree and possesses a high level of proficiency in English.

The Business Management certificate program offers a student the opportunity to build job skills and knowledge or to prepare for graduate studies through an extensive introduction to U.S. business practices. To complement the classroom experience, an internship is incorporated into the Business Management program. The internship allows each student the opportunity to apply what is learned in an American workplace and gain a competitive edge in the global job market.

The Project Management certificate provides a student with the elements needed to initiate, execute and complete a successful project. The student has the opportunity to apply new knowledge and skills to a specific industry in a comprehensive hands-on simulation experience, improve people skills to prevent or handle all types of conflicts, and learn the nuances of management from a global perspective. The intensive Project Management certificate can be completed in just two quarters.

BRAZIL

When I initially chose to come to UC San Diego, my main reasons were its well-known name, and the weather in San Diego. The university has exceeded my expectations. The campus is really amazing, with a cozy, cheerful environment. Studying in the Business Essentials program has enhanced my business knowledge, especially relating to American business practices. After UC San Diego, I will finish my degree in Business Administration and get a good job. I believe that all the new experiences and knowledge gained will be applicable in both my professional and personal life. The certificate has helped qualify me to pursue a successful career.

Frequently Asked Questions for Business certificate programs

1. Can I apply without all the required documents?
   - No. You will need to wait to apply until you have all the required documents. The only exception is if you have all the required documents except the language score AND you are currently attending the UC San Diego Extension English Language Institute (ELI). Only students who attend UCSD-ELI can apply for conditional acceptance to the business certificate programs.

2. What is conditional acceptance?
   - It means you are provisionally accepted based on all requirements except for the language score. This is strictly for students currently attending a 10-week English language program at UC San Diego Extension ELI. An acceptable language score is still required before you will be fully accepted.

3. Is there a deadline to apply?
   - Given the popularity of the programs, it is recommended to submit the application FOUR months in advance. Admission is competitive, and not all applicants are admitted to the program. NO APPLICATIONS WILL BE ACCEPTED WITHIN THE FINAL TEN DAYS BEFORE A PROGRAM’S START-DATE.

4. Is a car required?
   - Yes, access to a car or other reliable transportation is required, as some classes (day and/or evening) are located at the off-campus UC San Diego Extension facility (University City Center), which has very limited or no public transportation.

5. Can I add an extra quarter after I arrive?
   - Yes; however, if the student requests and is approved for a longer program, the student must pay a $500 USD Business Program Extension fee, plus any additional tuition required for the longer program. However, if the student requests and is approved for a longer program during the first week of classes in his/her first quarter, the Business Department will waive the $500 Program Extension fee.

6. What is Optional Practical Training (OPT)?
   - For more information on this work experience option, please see page 12.

I like everything about UC San Diego and the Project Management Certificate program. The classes are small and the instructors are distinguished professionals who link theory and practice from their own experiences. Participating in interactive lessons and studying alongside other working professionals make learning more interesting. UC San Diego has definitely let me charter and set my career course. I previously worked as a project manager in Doha, Qatar. Following completion of my Certificate, I plan to apply for OPT to help me gain work experience and allow me to practice my newfound skills in the United States. It will be interesting to see how projects are managed in this part of the world, and I am excited to begin this new chapter of my professional life.

Teaching English as a Foreign Language (TEFL) Certificate Programs

Takahiro Yamamoto
JAPAN

My goal is to be an English teacher who can effectively teach communication skills. The traditional English education style in Japan focuses primarily on grammar and reading; I would like to integrate listening and speaking so that my students can communicate well in English. During the TEFL Professional Certificate program, I had many opportunities to demonstrate an English class based on a lesson plan that I had developed. After each demonstration, the instructors gave me very helpful feedback, which made me a more competent and confident future English teacher. I strongly recommend this program both to students who already have experience teaching and to students with no experience teaching.

Benefits of taking a TEFL Program

- Develop effective ESL/EFL teaching skills
- Learn first-hand from experienced ESL/EFL instructors
- Study alongside American students
- Qualify for Optional Practical Training (OPT) after three consecutive quarters of Certificate study
- The Graduate School of Education at Alliant International University (AIU) in San Diego will accept transfer credits from UC San Diego Extension’s Teaching English as a Foreign Language (TEFL) Certificate Programs to its Master of Arts in Education with an emphasis in Teaching English to Speakers of Other Languages (TESOL). For more details, contact our TEFL Coordinator, Kim Gonzalez, at tefl@ucsd.edu.

22

TEFL PROFICIENCY CERTIFICATE $4,750

For additional costs, see page 27.

This three-month course is a foundation course in TEFL for non-native English speakers.

What this program includes

The curriculum consists of the following core courses:
- Introduction to Teaching Pronunciation and Fluency (27 hours)
- Introduction to Teaching English as a Foreign Language (27 hours)
- Introduction to Teaching Writing (27 hours)
- Oral Presentations for Language Teachers (27 hours)

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a $250 USD discount on their tuition for this TEFL program.

23

TEACHING ENGLISH TO THE YOUNG LEARNER (TEYL) $4,750

For additional costs, see page 27.

This full-time program is excellent for students who are interested in attaining additional competencies in teaching English as a foreign language to young people.

What this program includes

The required core courses are:
- TEYL Focus on the Classroom (3 units)
- TEYL Focus on the Learner (3 units)
- TEYL Focus on the Teacher (3 units)

Students must choose an additional 3 units from the available electives each quarter.

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a $250 USD discount on their tuition for this TEFL program.

24

SPECIAL STUDIES IN TEFL $4,750

For additional costs, see page 27.

This is a full-time, three-month program of select courses in TEFL and other academic areas to enhance teacher preparation. Students must choose and enroll in a total of 12 UC San Diego Extension units, with the advice and approval of the TEFL Coordinator. No online courses will count towards the Special Studies in TEFL program. All courses must be taken face-to-face in this program.

Note: Students who transfer directly from a 10-week UCSD-ELI English program or UCSD-ELI TEFL program will get a $250 USD discount on their tuition for this TEFL program.

TEACHING ENGLISH GRAMMAR

Students who are already enrolled in the Professional Certificate in TEFL, Special Studies in TEFL Certificate, or the TEFL Proficiency Certificate may enroll in the Teaching English Grammar (TEG) concurrent TEFL program. The TEG program cannot be taken alone because it is not a full-time program and does not provide students with the Form I-20.

What this program includes

The required core courses are:
- Advanced Analysis of English Sentence Structure I (3 units)
- Advanced Analysis of English Sentence Structure II (3 units)

Students can choose 6 units from the following courses:
- Advanced Grammar Seminar (3 units)
- Grammar and Editing I or II (3 units each)
- Grammar Workshops I-IV (four different 1-unit workshops)

Students must be prepared to pay for additional classes in order to obtain this concurrent certificate. Required courses and electives for this concurrent certificate may not all be offered in one quarter.

TEG certificate enrollment fee: $100 (non-refundable)

Apply at ip.extension.ucsd.edu
TEFL PROFESSIONAL CERTIFICATE PROGRAM
(6-MONTH FORMAT) $8,300

For additional costs, see page 27.

This six-month program focuses on the development of effective classroom teaching skills and modern English language teaching techniques to students in non-English speaking countries and in intensive English programs.

Both prospective and current English teachers can substantially improve their knowledge of English language teaching in this program.

What this program includes

Apply at ip.extension.ucsd.edu
HOW TO APPLY
Download the International Programs application form at ip.extension.ucsd.edu.

WHEN TO APPLY
It is recommended to submit the application FOUR months in advance for the business programs. For all business certificate programs, no applications will be accepted within the final ten days before the published program start-date. All programs close when they are full. It is best to apply 12–16 weeks before the program start-date to allow enough time for us to process your application and for you to make your visa and travel arrangements.

MINIMUM AGE REQUIREMENT
You must be at least 21 years old to apply to the business certificate programs, and 18 years old to enroll in other programs. Seventeen-year-old students may be admitted when living with an adult guardian and the parents submit a letter attesting to the student’s maturity. For more information please contact ipadmission@ucsd.edu. This age requirement does not apply to the Academic Connections International youth program.

CERTIFICATES
Certificates with the UC San Diego university seal are awarded upon successful completion of your program. Excellent attendance and academic performance are essential for certificate eligibility in all programs.

PAYMENT
Total fees and tuition must be received in our office 30 days prior to the published program start-date. Accepted methods of payment: cash, credit card (VISA/MasterCard/AMEX/Diners Club/JCB/Discover), traveler’s checks, personal check, money order, cashier’s check (drawn in U.S. currency on a U.S. bank), or bank-to-bank transfers using Western Union Business Solutions online. We cannot accept payment by bank wire for the application fee or express mail fee. Please pay these fees by credit card or check (U.S. bank only).

It takes 10–15 business days for payments to be applied to a student’s account. It is important to talk with your bank before sending credit card details because payments made by credit card are sometimes delayed due to credit card limits. Due to these delays, we strongly recommend that students or their agents complete payment of all tuition and fees at least 45 days before their program start-date to ensure timely receipt and recording of payment and to avoid delays in the beginning of the student’s program.

FEES FOR LATE ARRIVAL AND LATE REGISTRATION
If a student arrives on time and is not able to complete registration by the end of the first day of the program or if a new student arrives late, we will charge the student a $200 USD Late Registration Fee. Students should be sure to arrange their travel to San Diego and accommodations in advance so that they can be here for the first day of the program. The first day of the program is the published start-date in our brochure and on our website.

If a student pays all fees to an agency, the student must bring an agency receipt to the program registration to verify that all payments to an agency have been made.

WITHDRAWALS AND NON-REFUNDABLE FEES
All fees are non-refundable and non-transferable. The non-refundable, non-transferable fees are the following: application fee, testing, medical insurance, International Student Service, express mail, bank-to-bank fees, program change, late registration, and cancellation fees.

Students who apply through an agency or representative are subject to the agency refund policy and will receive any refund through their agency, not from UC San Diego.

All refund requests must be in writing. All charges are subject to change. Please ask about current charges at time of withdrawal or change of program. Refunds take approximately 5-6 weeks to process.

Note: We recommend payment of tuition and fees by credit card. If a student cancels or withdraws from a program, a refund to a credit card takes just 7-10 business days. A refund to a student by any other means can take 5–6 weeks to process, plus 4-10 weeks for overseas mail delivery.

Academic Connections International and Summer Session I and II

Refund Schedules for Academic Connections International and Summer Session I and II may be found on the UC San Diego Extension International Programs website at www.ip.extension.ucsd.edu.

STUDENT VISAS
UC San Diego Extension International Programs is authorized under federal law to enroll non-immigrant alien students. We issue the Form I-20 to students who meet our admission requirements and who provide evidence of sufficient financial verification. Almost all students in our full-time programs come to the United States on F-1 student visas. In order to apply for an F-1 student visa, you will need a Form I-20 (Certificate of Eligibility for F-1 Visa). You then take this I-20 to a U.S. Embassy or Consulate and apply for an F-1 Visa.

If you plan to apply for an F-1 visa, please complete the I-20 Request section on page A4 of the application form and provide signatures and a statement of financial verification as indicated. You can find our application form on our website: www.ip.extension.ucsd.edu under the tab called “How to Enroll.”

If you are in any doubt about which kind of visa you need, we recommend that you ask either your local counseling source or the U.S. Embassy or Consulate for information. You may also contact our office at ipinfo@ucsd.edu.
This fee is required each time the applicant wants to change programs or program dates after submitting the original application for enrollment.

Late Registration Fee $200
This fee is required if a student is not able to complete registration by the end of the first day of the published program start-date, or if the student does not arrive on the first day of the program.

Business Program Extension Fee $500
If the student requests and is approved for a longer program, the student must pay a $500 USD Business Program Extension fee, plus any additional tuition required for the longer program. However, if the student requests and is approved for a longer program during the first week of classes in their first quarter, the Business Department will waive the $500 Program Extension fee.

Express Mail Fee $50 (optional)
3-day express mail delivery of 1-20 due with application. Strongly recommended because regular airmail can take 10-12 weeks for delivery. Fee may vary depending on location.

International Student Services Fee (required)
Students have access to many University Extension resources, including computer labs, academic advising, visa counseling, housing assistance, campus Student Health Services, photo ID card, and many other general student needs.
Cost: • $140 per short program or seminar of 1-4 weeks
• $350 per quarter or session of 5-10 weeks
• $700 for 2-quarter programs
• $1,050 for 3-quarter programs
• $1,400 for 4-quarter programs

Airport Transportation
The San Diego airport is located in downtown San Diego, about 30 minutes from the UC San Diego campus by car and about 1 hour 20 minutes by bus.
• Homestay or rent a room in a home—For an additional fee your host family will pick you up and bring you to the San Diego airport when you return to your country at the end of your UC San Diego studies. Ask about airport transportation when booking accommodation.
• Near-campus apartments by Anatolia—Airport pickup service may be included for stays of 10 weeks or more. Ask about cost when booking for stays of less than 10 weeks.
• Off-campus housing by the Residence Inn by Marriott La Jolla—Information about a discount shuttle will be provided after reservation confirmation. Ask when booking for details.
• On-campus housing (summer only)—Information on airport shuttle and taxi transportation is included with UC San Diego Extension International Programs’ acceptance materials.

Books and Instructional Materials
Books and materials are not included in the program tuition. Payment for all books and instructional materials CANNOT be made in advance and must be purchased upon arrival at UC San Diego.
• ELI 10-week Programs: approximately $400 per program
• ELI Short-term Programs: approximately $150-$175 per program (varies by program)
• Certificate and University Credit Programs: Approximately $200-$800 per quarter.

Computer Labs and Internet Access
All international students have access to two computer labs (46 stations) at UC San Diego Extension. Preference for computer lab use is given to class-related work. All computers have high-speed internet connections and are functional in multiple languages. Printing costs 10 cents per page; no cost for computer use.

Please Note: All fees are subject to change.

Medical Insurance (required)
UCSD Extension medical insurance is mandatory for all students. Students with sponsors who provide medical insurance that meets our minimum requirements can request a Medical Insurance Waiver form from iphealth@ucsd.edu.

Programs shorter than 4 weeks $45 per week
4-week programs $180
5-week Summer Session $225
10-week programs & University Credit Programs $585
Certificate Programs - 1 quarter $585
Certificate Programs - 2 quarters $1,170
Certificate Programs - 3 quarters $1,800
Certificate Programs - 4 quarters $2,340

Note: In December there is a gap in insurance coverage between quarters of study. Please be sure students purchase additional insurance coverage during this gap period.

The UC San Diego Extension medical insurance policy for international students covers hospitalization, with some exceptions, and many other medical expenses, but not dental or eye care. You can purchase dental and vision plans at an additional cost. Medical insurance is non-refundable. Accompanying spouses or children should also have medical insurance for the duration of the student’s enrollment at UC San Diego. UCSD Extension medical insurance for accompanying family members is available for purchase if the enrolled student has purchased UCSD medical insurance. For information on this requirement, contact our staff at iphealth@ucsd.edu.

Housing
See pages 28-29. Also check ip.extension.ucsd.edu for updated information and additional details on housing options for UC San Diego Extension international students.

Meals
The cost of meals varies greatly depending on budget and tastes, but a good meal costs about $8 - $10.

Library Card (optional)
You can use the campus library without charge. To borrow books, however, you must buy a library card: approximately $15 for three months.

UC San Diego Photo Identification Card (optional)
The cost of one UC San Diego photo ID card is included in the ISS fee. Students will pay $15 USD to replace a lost photo card.

Recreation Card (optional)
To use the campus swimming pools, tennis courts, fitness centers, and other campus recreational facilities, you must buy a “Rec Card,” which is approximately $100 per quarter.

Transportation (optional)
Bike rental: approximately $45 per week, or $130 per quarter.
Shuttle service: free with student photo ID
Bus pass: Quarterly passes are approximately $150 and monthly passes are approximately $75. Prices are subject to change.
Car rental: approximately $500 per month.
Parking on campus: approximately $61 per month.
See parking.ucsd.edu.

OPT Application Assistance (optional)
We provide advising and application assistance to students who apply to the U.S. Citizenship and Immigration Services for permission to work in the U.S. for up to one year under the Optional Practical Training benefit. (See page 12.) Cost: $100 (Government filing fees are a separate cost.)
