

IECA Member Discount

UC San Diego Extension Certificate in College Counseling Elective Discount

All IECA members qualify for a 10% discount on any UC San Diego College Counseling Certificate elective courses.

Elective college counseling elective classes that qualify for the 10% discount include (subject to change):

- [U.S. College/University Application Process and the International Student](#);
- [Implementing a Comprehensive School Counseling Program](#);
- [Starting and Maintaining An Independent Educational Consulting Practice](#);
- [Navigating College Admission Testing](#);
- [Counseling Students on College Application Essays](#); and
- [The 21st Century Career Counselor: Preparing Students for College and Career Readiness and Success](#)

IECA members must contact the IECA office to receive the membership verification code. Please review the schedule and determine the course and section you would like to participate in. Then, contact UC San Diego Extension Education Department with your membership verification code at unexeduc@ucsd.edu to consult with a Program Manager. The Program Manager will provide you with detailed information to enroll with the 10% discount in a college counseling elective course.

IECA Associate Membership Requirements:

Completion of the UC San Diego Extension College Counseling Certificate program with six (6) additional elective quarter units (from any of the related UC Extension College Counseling certificate programs) satisfies the experience requirement when applying for associate membership in IECA.
