[Welcome to CLAD Through CTEL](#)

The online CLAD Through CTEL program offered by UC San Diego Extension is designed for candidates to earn an English Learners Authorization as an Added Authorization to a California Teaching or Service Credential.

This program reflects standards adopted by the California Commission on Teacher Credentialing for CLAD Through CTEL Programs. A complete application and formal admission to the program is suggested prior to enrolling in any CLAD Through CTEL program courses.

Please make sure to thoroughly review the instructions below before completing and submitting the online application. In addition to the online application, current copies of your teaching credentials, and official transcripts from the university that awarded you a Bachelor's Degree or higher must be submitted. Applications will not be processed without supporting documents. Please note that you must have a valid teaching or services credential in California.

This program does not issue a UCSD-Certificate upon completion. Only the California Commission on Teacher Credentialing (CCTC) Crosscultural, Language, and Academic Development (CLAD) Certificate is issued upon successful completion of all the CLAD Through CTEL Program requirements.

[Application Fees](#)

Although there is no fee for applying to the program, once admitted to the program you will be sent information in order to register for a \$0 section in order to confirm your admission to the program.

All Candidates must select one of the two track options below. Refer to the Checklist at the end of the application for details on all the items that you must submit for approval.

Personal Statement (if applicable)

In the event an applicant does not meet the minimum GPA requirement, the applicant must include a supplementary personal statement detailing a specific plan to maintain a minimum of a 3.0 GPA during tenure in the CLAD Through CTEL program. The statement will be reviewed as part of the admission decision, along with any supporting documentation.

California Teaching Credential

You will need to submit a copy of your California Teaching Credential as a part of your application. Go to the Commission website <http://www.ctc.ca.gov/> and select the option to "Search For Educator". Choose the search tab. Search for yourself. Click on your document number. All the renewal codes for your credential will then display. Save as a PDF to upload to your online application.

Basic Skills Exam

If your preliminary credential has a Basic Skills Requirement this must be fulfilled within one year of your credential being issued. If you did not complete this requirement within one year of your credential issuance then your credential is no longer considered valid by the Commission.

You must fulfill your Basic Skills Exam requirement with the California Commission on Teacher Credentialing or you are not eligible for a California English Learner Authorization.

Please refer to leaflet [CL-667](#). Out-of-state prepared holders of the preliminary multiple subject, single subject, and education specialist credentials must complete the basic skills requirement during the first year of certification.

Electronic Transcripts

You have the option to submit electronic transcripts if they are sent directly from your college and/or university. A forwarded email or scan copy from a candidate is considered an unofficial transcript and would not be valid for admission purposes. The email address to submit electronic transcripts to is: submittranscript-debs@ucsd.edu. *Transcripts can also be submitted via mail. Please refer to the application checklist for the mailing address.*

Official CTEL Exam Scores

Only candidates applying under the Combined CTEL Exam and Coursework Track are required to submit a copy of your official CTEL Exam Scores. Save as a PDF to upload to your online application.

- Passing scores on Tests 1, 2, or 3 of the California Teacher of English Learners (CTEL) Examination.
- Only CTEL Exams that show a passing score can be considered for combining CTEL Exam Test Scores and Coursework.
- Scores used for certification purposes may be no older than ten years from the individual passed exam date.

Application Processing Timeline

All mail sent to the University is processed through a central mail repository. Please assume it will take at least one – two weeks for any item mailed to be received by the Department of Education and Behavioral Sciences.

Applications will be reviewed by a Credential Analyst. Applicants will be notified of acceptance into the CLAD Through CTEL Program by email within 4 weeks of receipt of a completed application. **We cannot accept applications or supporting materials via email from the candidate.**

GPA Requirements for Program Completion

Regardless of credential being cleared, candidates must successfully maintain an overall GPA of 3.0 or better and receive a grade of “C” or higher in each course to be formally recommended to the Commission for a California English Learner Authorization. *A grade of “C-” or lower is not equivalent to a grade of “C” or higher.*
