WELCOME TO UC SAN DIEGO

Over the years, UC San Diego has enthusiastically welcomed international students. No matter how diverse their backgrounds, our students share one thing in common: an adventurous spirit of learning. They choose UC San Diego because of its worldwide research reputation, its prize-winning faculty, and the innovative character of the San Diego region. In return, they enjoy one of the most valuable educational experiences of their lives.

Taught by talented instructors, UC San Diego Extension programs offer the most advanced knowledge and education formats available. Students quickly benefit from immediately applicable information, a wider network of peers, and a more insightful understanding of American culture. In combination with UC San Diego’s striking coastal location, our programs are unlike any others in the United States.

Welcome . . . we look forward to meeting you.

Mary Walshok
Associate Vice Chancellor, Public Programs
and Dean, UC San Diego Extension

WELCOME TO UC SAN DIEGO EXTENSION INTERNATIONAL PROGRAMS

The benefits of an international experience motivate thousands of people every year to study in the United States. As they seek academic advancement, they also improve their English language skills and cultural understanding. UC San Diego’s commitment to academic excellence is reflected in the high quality of instruction and curriculum in the programs which are described in this brochure. This, plus our excellent campus facilities, student support services, and idyllic natural surroundings, guarantees the best possible opportunities for your academic success and satisfaction. The information provided here shows, in pictures and in words, why UC San Diego Extension International Programs is the perfect choice for English language studies, university credit, and certificate programs.

We are ready to welcome you to UC San Diego Extension International Programs and to help you get started on the experience of a lifetime!

Roxanne Nuhaily
Executive Director of International Programs
and Associate Dean for International and Academic Affairs
UC San Diego Extension

WHY CHOOSE UC SAN DIEGO?

A GREAT UNIVERSITY

• Part of the ten-campus University of California system: UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, and UC Santa Cruz
• 14th internationally in the 2016 Academic Rankings of World Universities conducted by Shanghai Jiao Tong University in China
• 5th among U.S. universities in total research and development expenditures by the National Science Foundation (NSF) for 2016
• 6th in the nation, 2nd among all U.S. public universities, and 14th in the world for total research output by the journal Nature in their 2016 index
• 1st in the U.S. for Positive Impact on the United States by the Washington Monthly College Guide
• A huge campus (over 5 square kilometers) overlooking the Pacific Ocean, with a community of over 33,000 students
• Ranked the top surfing school in the U.S. by Surfline.com

www.ucsd.edu

WHY CHOOSE SAN DIEGO?

A GREAT LOCATION

• “America’s Finest City” with a great quality of life
• Population: 1.3 million in the city and 3.3 million in the county
• 100 kilometers of beaches, mountains up to 2,000 meters, and the best climate in the United States, with 263 sunny days per year
• Three San Diego beaches, including La Jolla Shores, were named among the best 25 in the U.S. by TripAdvisor in 2016
• Ranked 2nd most inventive city in the world by Forbes magazine and 1st in the nation in number of patents, with 3.8 patents for every 1,000 workers
• Home to Comic-Con International, one of the largest entertainment and comic conventions in the world, with over 135,000 attendees.
• With 120+ craft breweries, San Diego ranks the 2nd most beer-friendly city in the U.S.
• The largest urban cultural park in the U.S., Balboa Park, is located in the heart of San Diego. The 1,200-acre park is home to 19 museums, botanical gardens, and cultural venues, and the San Diego Zoo, which is the largest zoo in the world.

### Program Dates

- **3 Months = 10–12 weeks (1 quarter)**
- **6 Months = 23–24 weeks (2 quarters)**
- **9 Months = 36–39 weeks (3 quarters) (academic year)**

Program dates include academic breaks between quarters and holidays as listed above.

### HOLIDAYS IN 2018

(NO CLASS)

- **Jan 1-2**: New Year’s Holiday
- **Jan 15**: Martin Luther King Jr. Day
- **Feb 19**: President’s Day
- **Mar 30**: Cesar Chavez Day
- **May 28**: Memorial Day
- **July 4**: Independence Day
- **Sept 3**: Labor Day
- **Nov 12**: Veteran’s Day
- **Nov 21**: In-Service Day (English language programs only)
- **Nov 22-23**: Thanksgiving Holiday
- **Dec 24-25**: Winter Holiday Break
- **Dec 31-Jan 1**: New Year’s Holiday (2019)

### NOTE:

End dates for UPS, Intensive Pre-University, and all TEFL programs vary, depending on course selections.

For dates in 2019, please refer to our website in July 2018.
CONVERSATION LEADERS

Conversation Leaders are an integral part of our Conversation classes. Conversation Leaders are American UC San Diego students and members of the community who actively participate in class with our students several hours per week during the program.

Conversation Leaders provide students in these programs with the chance to meet and have meaningful interaction with native speakers of English. ELI’s expert conversation instructors design and supervise the lessons and conversation activities so that the students’ time with the Conversation Leaders will have maximum benefit.

CONVERSATION PARTNERS

UC San Diego’s English Language Institute provides a list of Conversation Partners to ELI students. Conversation Partners are UC San Diego university students and employees who would like to help international students with English conversation in exchange for the opportunity to learn the international student’s native language. Conversation Partners provide students with the chance to meet and have meaningful interactions with native speakers of English outside of the classroom.

UC SAN DIEGO AND UC SAN DIEGO EXTENSION RESOURCES

Students have access to many University and University Extension resources:

- Highly experienced International Student Services staff
- State-of-the-art language lab
- Two daytime computer labs, one for personal use and one for class work
- Academic advising
- Athletic facilities, recreational classes, and two Olympic-size swimming pools
- Wide variety of on-campus dining facilities
- Campus social and cultural activities
- Campus lectures and performances
- Organized activities and field trips
- UC San Diego Thornton Hospital

WHY CHOOSE UC SAN DIEGO EXTENSION INTERNATIONAL PROGRAMS
YOUSEF ALSHAMMARI
SAUDI ARABIA

Before I came to the UC San Diego English Language Institute, I was very weak in writing and grammar. However, I can confidently say that my writing has improved dramatically and I received a high score on the TOEFL. My teachers were very creative and knowledgeable. It may sound strange, but I always looked forward to my grammar class because of the fun activities we did. I recommend the ELI to students who are serious about their education and want to take their English skills to the next level.

ACADEMIC ADVISING

Our Academic Advisors guide students who are interested in applying to a college or university in the United States. Every quarter, students can attend an information session to help them better understand the American university system. Additionally, a College Fair is held twice a year so students can obtain information and application materials from representatives of the many colleges and universities in San Diego.

STUDENT HEALTH AND WELFARE ADVISING

Health and Welfare Advisors assist students with many details related to housing and health matters.

STUDENT HEALTH SERVICES

Registered international students at UC San Diego Extension have access to UC San Diego’s Student Health Services. The Student Health Services center provides quality on-campus medical care. This includes urgent care and support services such as laboratory, pharmacy, and x-ray.

Student Health Services is located on campus and is open Monday – Friday. (Service hours may vary.) For emergencies, students may go to UC San Diego Thornton Hospital, which is also located on campus.

APPROXIMATE TEST SCORE RANGES

This chart shows the twelve core proficiency levels, from beginning to very advanced, in ELI’s 8- and 10–week programs. Placement in ELI’s core levels can only be determined by ELI’s placement tests upon the student’s arrival.

On average, students move up one core level per session. Exceptional students may sometimes advance two levels.

CEA ACCREDITED

The UC San Diego English Language Institute (ELI) is officially accredited by the Commission on English Language Program Accreditation (CEA). It is the only organization that is recognized by the U.S. Department of Education as a national accrediting agency for English language programs and institutions.

MISSION STATEMENT OF THE ENGLISH LANGUAGE INSTITUTE

It is our mission to provide English language instruction of the highest quality, in which people can learn to their full potential, develop a deeper understanding of the United States, and always receive courteous and knowledgeable service.
CONVERSATION LEADERS

ELI students practice speaking English with American UC San Diego students and members of the local community in our Conversation classes. Conversation Leaders actively participate in several hours of class during the 4-week Conversation program, 4-week Conversation and Fluency program, and elective Conversation classes in many of our 8-week programs. Our ELI students can also practice speaking English with Conversation Leaders during Conversation Cafés, which are held frequently.

ACADEMIC ENGLISH (2-WEEK AND 4-WEEK)

• 4-week program offered monthly except November and December
• 2-week program offered in July and August
• 20 hours per week
• Mostly four hours each day, schedule varies
• High-intermediate and advanced students*

The program focuses on developing fluency and accuracy in all language skills for academic and professional purposes. Considerable time will be spent on grammar, reading, writing, and oral discussion. Students will take part in class lectures, group work, pair work, and individual study. In addition to a homeroom academic skills class, students will have two additional courses.

Additional courses may include:
• Listening and discussion
• Research paper writing
• Oral presentations
• Pronunciation and fluency
• Vocabulary development
• TOEFL IBT preparation

Substantial homework

Additional class offerings depend on enrollments, the student's proficiency level, and class sizes.

Application fee: $150
Express mail fee: $50
Tuition (2-week): $1,200
Tuition (4-week): $1,900
ISS fee (2- and 4-week): $140
Medical insurance fee (2-week): $90
Medical insurance fee (4-week): $180

CONVERSATION

• 4-week program offered monthly except April, May, June, and October
• 10 hours per week plus additional field trip time
• Mostly two hours each day, schedule varies
• Beginning, intermediate, and advanced students

This part-time program focuses on building English communication skills and enhancing cultural awareness, with special emphasis on speaking and listening.

In addition to field trips, class discussions, pair and group work, presentations, and interactions with Conversation Leaders, students will use their English skills to learn from guest speakers of various fields.

Limited homework

This part-time program does not qualify for an I-20.

Application fee: $150
Express mail fee: $50
Tuition: $1,400
ISS fee: $140
Medical insurance fee: $180

CONVERSATION AND FLUENCY

• 4-week program offered monthly except April, May, June, and October
• 20 hours per week
• Mostly four hours each day, schedule varies
• Beginning, intermediate, and advanced students

This popular full-time program focuses on building English communication skills and enhancing cultural awareness, as well as accurately using grammar and vocabulary in reading, writing, speaking, and listening.

Students will strengthen their ability to use English effectively in everyday situations in and out of the classroom, including reading and writing for school and work. Students practice English through guest speakers, with Conversation Leaders, and during field trips.

Moderate homework

Application fee: $150
Express mail fee: $50
Tuition: $1,900
ISS fee: $140
Medical insurance fee: $180

ADVISORY ABOUT VARIABLE ENROLLMENTS

Enrollment numbers in our Academic, Conversation, and Conversation and Fluency programs vary greatly from month to month. If our placement tests indicate that a student's English proficiency level does not permit placement in the original 4-week program class, we may place the student in 4 weeks of study in a corresponding 8-week program, or we may provide a combination of classes to ensure a full-time program of 20 hours per week (or 10 hours per week if the student is enrolled in the part-time Conversation program) for 4 weeks. Alternatively, we may decide to place all 4-week program students in level-appropriate classes in a corresponding 8-week program of 20 hours per week for 4 weeks. When this happens, the students' 4-week program will have the features described for the new 8-week program, not the features described for the original program. The hours, tuition, and fees for the students' 4-week program will remain the same.
UNIVERSITY PREPARATION ACADEMY

- 4-week program offered in June, July, August, and September
- 20 hours per week
- Mostly four hours each day, schedule varies
- Advanced students

The UPA program prepares students to enter a master’s degree program in highly selective and competitive American universities.

University preparation classes may include:
- University Advising
-Paraphrasing and Summarizing Skills
- Critical Analysis and Discussion
- Synthesis and Critical Response
- Discussion and Fluency for University Success
- University Lecture and Note-Taking Skills

Concentrated academic skills classes may include:
- Academic Reading and Writing
- Public Speaking Skills
- Advanced Vocabulary Skills
- Advanced Grammar Skills

Courses are offered on a rotation basis depending on the quarter when a student enters the program. ELI reserves the right to make changes to the program and course offerings depending on total enrollments and student needs.

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,200
ISS fee: $140
Medical insurance fee: $180

BUSINESS ENGLISH

- 4-week program offered in July and August
- Average 25 hours per week, schedule varies
- High-intermediate and advanced students*

This intensive program is for students and professionals who want to increase their English fluency through business content studies. The focus is on meeting and negotiating skills, case studies, business vocabulary, and business writing. Guest speakers and company visits vary according to availability.

Topics may include:
- American business
- Management
- Marketing
- Finance
- International trade
- Human resources

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,200
ISS fee: $140
Medical insurance fee: $180

LEGAL ENGLISH FOR BUSINESS

- 4-week program offered in July, August, and September
- Average 20 hours per week, schedule varies
- High-intermediate and advanced students*

This intensive program is for students and professionals who are studying or working in business or law-related fields, and who would like to gain a better understanding of American business law practices. Students will master legal and business vocabulary expressions for speaking and writing. They will also focus on skills for various business law scenarios such as writing legal correspondence, interviewing a client, and negotiating an agreement. This program features expert guest speakers according to availability. This program does not prepare students for LLM degree programs.

Topics may include:
- Company law
- Contracts and contract formation
- Real property law
- Transnational commercial law
- Consumer protection
- Intellectual property
- Alternative dispute resolution
- Employment law
- Competition law

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,200
ISS fee: $140
Medical insurance fee: $180

*ADVISORY ABOUT LEVEL REQUIREMENTS

Only students who test into high-intermediate and advanced levels on UC San Diego-ELI placement exams will be accepted into the Academic English, Business English, English for Pharmaceutical Studies, Legal English for Business, and Medical English programs. This level requirement corresponds to a minimum score of approximately 60 on the TOEFL iBT, 5.0 on the IELTS, or 160 on the Cambridge Exam: First (FCE). Students who do not qualify will be transferred to the Conversation and Fluency program. In April, May, June, and October, when the Conversation and Fluency program is not offered, students testing lower than high-intermediate will receive a combination of classes to ensure a full-time program of 20 hours per week for four weeks.
ENGLISH FOR ENGINEERING AND TECHNOLOGY

- 4-week program offered in January, February, March, July, and August
- 20 hours per week
- Mostly four hours each day, schedule varies
- High-intermediate and advanced students*

This program is for students studying a field of engineering or computer science, and who wish to improve their ability to effectively communicate in scientific discussion. Students will master specific engineering and technology vocabulary, and improve their technical writing skills.

Topics may include:
- Renewable energy
- Digital information
- Satellite communication
- Biomedical engineering
- Aerial robotics
- Artificial intelligence
- Mechanical design
- Manufacturing
- Design materials
- Computer software engineering
- Technical writing

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,500
ISS fee: $140
Medical insurance fee: $180

ENGLISH FOR PHARMACEUTICAL SCIENCES

- 4-week program offered in February, July, and August
- 20 hours per week
- Mostly four hours each day, schedule varies
- High-intermediate and advanced students*

This program is for students and professionals who want to increase their English fluency while focusing on pharmaceutical and pharmacy topics. The focus is on improving the students’ writing and spoken communication skills, with an emphasis on technical writing, public speaking, special terminology, and communicating effectively in pharmacies and other healthcare settings. Participants must have previously taken an anatomy or physiology course.

Topics may include:
- Technical writing and notation for pharmaceutical work
- Presentation skills for academic and professional settings
- U.S. drug development and approval process
- U.S. drug delivery systems and practices
- The language of pharmacist-patient interaction
- Idiomatic language in pharmacy settings/pharmaceutical studies
- Advanced readings and discussion on pharmaceutical topics

San Diego is one of the strongest regions in the U.S. for biomedical and pharmaceutical research and development. This program features expert guest speakers according to availability.

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,500
ISS fee: $140
Medical insurance fee: $180

MEDICAL ENGLISH

- 4-week program offered in January, July, and August
- 20 hours per week
- Mostly four hours each day, schedule varies
- High-intermediate and advanced students*

This program is for students and professionals who want to master medical terminology and increase English fluency within a clinical context. Participants must have previously taken an anatomy or physiology course.

Topics may include:
- U.S. healthcare delivery system
- The language of patient interaction
- Human anatomy and physiology
- Medical history-taking
- Trauma and emergency care
- Diagnostic and treatment procedures
- Development of presentation skills

UC San Diego is a major center for medical research and healthcare development. This program features expert guest speakers according to availability.

Due to visitation restrictions and patient privacy laws, we do not guarantee visits to hospitals and clinics or observations of actual medical procedures as part of the Medical English program.

Substantial homework

Application fee: $150
Express mail fee: $50
Tuition: $2,500
ISS fee: $140
Medical insurance fee: $180

*ADVISORY ABOUT LEVEL REQUIREMENTS

See page 7.

Medical insurance fee: $405

ELI 8- AND 10-WEEK PROGRAM STATISTICS
- Average number of 8- and 10-week students: 525
- Countries represented: 55
- Number of levels: 12
- Average class size: 16
- Class size range: 6-20
- Median age: 26

IMPORTANT NOTES:
Classes offered for core levels 99 and 100 will run depending on the number of students enrolled in these levels. If there is an insufficient number of students at these levels, students will be transferred to another ELI program where they can receive beginner-level instruction.

Not all elective courses are offered in every quarter or at every level. The elective courses offered depend on the student’s level and sufficient enrollment in the courses. UC San Diego-ELI reserves the right to determine all issues related to a student’s program or level placement. Decisions on ELI courses and programs depend on staffing needs/availability and resource allocation.
DIEGO PINEDA YON
PERU

UC San Diego has many factors that make me feel comfortable, including the quality of the teachers. All my teachers show a great understanding of their job and they transmit information to the students successfully. The campus also has many green areas that I find relaxing and beautiful. However, my most enjoyable experience at UC San Diego was making friends and practicing speaking English as much as I could with my new friends. Getting to know people from around the world was the best experience I’ve ever had—just incredible.
INTENSIVE LEGAL ENGLISH

• 8-week program
• 25 hours per week
• Advanced levels only (ELI core levels 108-110), as determined by the UCSD-ELI placement tests.

• Required Advanced Legal English course includes the following topics:
  - An introduction to or a review of the U.S. legal system
  - The court system and trial procedures
  - Landmark cases
  - Social/cultural trends that affect the law

• Required grammar class

• Elective classes may include: Advanced Case Studies in Business, Academic Writing, Business Presentation Skills, Oral Presentations, Vocabulary for Business and Finance, and Test preparation: TOEFL, IELTS, or TOEIC

The required ILE course is taught by highly skilled English instructors with a keen interest in law and a master’s in linguistics, TEFL, or related field. The program also includes guest lectures by legal scholars and practicing attorneys, excursions to the courthouse, and directed studies in law.

This program provides relevant preparation for the LLM degree programs or your practice of law. Students who complete this program with strong grades and references from all ELI instructors may be eligible for conditional admission to California Western School of Law, the University of San Diego School of Law, or Thomas Jefferson School of Law.

Applicants must submit the following with their program application:

- Academic transcripts for the four most recent semesters (showing previous studies in Western law or Western civilization)
- A brief statement explaining your previous law related experience and purpose for taking this program
- For guaranteed enrollment in ILE, students must provide one of the following: 85 on the TOEFL iBT, 7.0 on the IELTS, or a “pass” on the CAE or the CPE (Cambridge Exams).
- Interested students coming directly from UC San Diego Extension’s ELI 8-week programs should meet with the ELI Academic Advisor for specific continuing student requirements.

Note:
- This program can only be taken one time.
- All students will take placement tests upon arrival and must place into level 108-110 with minimum required reading and writing scores.

Application fee: $150
Express mail fee: $50
Tuition: $3,800
ISS fee: $350
Medical insurance fee: $405

SPECIAL NOTE: Students who enroll in the Intensive Business English and Legal English programs must arrive for the first day of the published program start-date. Due to planning requirements, we cannot accept late arrivals for these programs. Students who do not arrive for the first day of the published program start-date will lose their space and will automatically be transferred into our Intensive Academic English Program for the quarter.
FEIYU (FELIX) YAN  
P.R. CHINA

I applied to the University Preparation Academy with the goal to get accepted and complete a Master’s of Finance at UC San Diego’s Rady School of Management. My instructors helped me create the best possible Statement of Purpose and CV, which definitely helped when I applied to Rady. They also offered me good advice on making appointments with professors. I am happy to report that I was accepted to the Rady School of Management. I was very lucky to have excellent instructors in the University Preparation Academy who always supported me. Every time I return to the English Language Institute, I feel at home. It’s like my home overseas.

UNIVERSITY PREPARATION ACADEMY

- 8-week program
- 20 hours per week
- Advanced levels only (ELI core levels 108-110), as determined by the UC San Diego ELI placement tests

This program prepares students to enter a master’s degree program in highly selective and competitive American universities. UPA students have a rigorous course load focused on writing, research, and speaking excellence for university success. Students will develop the skills necessary to meet faculty and peer expectations in the American university classroom.

- University preparation classes may include a combination of the following:
  - Research Paper Writing
  - University Advising
  - Paraphrasing and Summarizing Skills
  - Critical Analysis and Discussion
  - Synthesis and Critical Response
  - Discussion and Fluency for University Success
  - University Lecture and Note-Taking Skills

- Concentrated academic skills classes may include:
  - Academic Reading and Writing
  - Public Speaking Skills
  - Advanced Vocabulary Skills
  - Advanced Grammar Skills

Courses are offered on a rotation basis depending on the quarter when a student enters the program. ELI reserves the right to make changes to the program and course offerings depending on total enrollments and student needs.

Applicants must submit the following with their application:

- Academic transcripts for the four most recent semesters (showing grades in the top 5-10%)
- For guaranteed enrollment in UPA, students must provide one of the following: 90 iBT or 7.5 IELTS
- Interested students coming directly from UC San Diego Extension’s ELI 8-week programs should meet with the ELI Academic Advisor for admission requirements for continuing students.

Note:
- This program can be taken for only two times.
- All students will take placement tests upon arrival and must place into levels 108-110 with minimum required reading and writing scores.

Application fee: $150  
Express mail fee: $50
Tuition: $3,800  
ISS fee: $350
Medical insurance fee: $405

INTENSIVE PRE-UNIVERSITY

- 10-week program
- 25 hours per week; 9-17 hours of English language instruction and 1-2 UC San Diego or UC San Diego Extension course(s)
- Advanced English proficiency only (ELI core levels 109-110)

Students improve and refine their English skills while studying one or two university courses in their area of interest.

English language required classes:
- Fluency, Reading and Writing, or Research focused core class
- Grammar class
- Elective classes (See the elective options from the Intensive Academic and Communication and Culture programs on page 9.)

For UC San Diego or UC San Diego Extension class options, see the UPS program on page 14.

Required hours of ESL instruction and allowed university courses depend on the student’s language proficiency and academic performance.

Admission requirements:
- Academic transcripts for the four most recent semesters (showing grades in the top 10%)
- For guaranteed enrollment in IPU, students must provide one of the following: 80 iBT, 7.0 IELTS, or a “pass” on the CAE (Cambridge exams).

Note:
- Admission requirements for continuing ELI students are different. See the ELI Advisor for details.
- UC San Diego Extension law courses are not available in the IPU program.
- Regular UC San Diego classes are only available in the fall, winter, and spring quarters. During the summer, IPU students may only take Extension credit-bearing courses with their English classes.

Application fee: $150  
Express mail fee: $50
Tuition: $5,900*  
ISS fee: $350
Medical insurance fee: $585

*Tuition does not include optional student recreation fee, optional library use fee, any required course lab fees, or additional premium tuition for certain technical courses and graduate-level courses.

APPENDIX
WORK EXPERIENCE: OPTIONAL PRACTICAL TRAINING (OPT)
After one academic year (three consecutive quarters) of full-time study in a non-language program in the United States, students with F-1 status can apply for permission to work up to 12 months in their field of study as a practical application of what they have learned. This is called Optional Practical Training (OPT).

The International Student Services (ISS) staff will assist students with their application for OPT and continue advising and supporting their employment authorization period. The ISS staff has a very high success rate with OPT applications. They cannot, however, guarantee the approval of the application by the U.S. government. Please note that the International Student Services staff does not assist with job search or job placement services.

EXAMPLE OF PATHWAY TO OPT

CERTIFICATE PROGRAMS AT UC SAN DIEGO - 2018 WORK EXPERIENCE - 2019 2020

APPLYING FOR UNDERGRADUATE ADMISSION TO UC SAN DIEGO
It is difficult to enter UC San Diego as a foreign student in the first year. It is much easier to transfer from a California community college (after two years of study) into the third year at UC San Diego. In recent years over 90% of UC San Diego transfer students come from California community colleges. This is the best pathway to undergraduate UC San Diego admission for most international students. For more information on undergraduate admission to UC San Diego, visit: admissions.ucsd.edu/international.

Students interested in taking UC San Diego or Extension courses should see the IPU program (page 12), the UPA program (page 12), or the UPS program (page 14). For more information about professional certificates for international students, please see the Business Certificate programs (pages 17-21) or the TEFL Certificate programs (pages 22-23).

EXAMPLE OF PATHWAY TO DEGREE PROGRAM

CONDITIONAL ADMISSION OR PATHWAY INTO A CERTIFICATE, COLLEGE, OR UNIVERSITY DEGREE PROGRAM
The UC San Diego English Language Institute (ELI) has conditional admission agreements allowing ELI students who have achieved a high level of English proficiency from their studies at the UC San Diego ELI to gain full admission into a certificate, college, or university degree program. Our current partners include California State University Chico, University of San Diego School of Law, Thomas Jefferson School of Law, California Western School of Law, Alliant International University Master’s in TESOL, and Palomar College. Please contact the Academic Advisor for more information at eliadvisor@ucsd.edu.

THE DIFFERENCES BETWEEN UNIVERSITY OF CALIFORNIA, CALIFORNIA STATE UNIVERSITY, AND THE CALIFORNIA COMMUNITY COLLEGES
The University of California has 10 campuses, more than 238,000 students, and is designed for the best qualified students. Only the top 12.5% of California high school students are eligible for entry, but a much smaller percentage is accepted. universityofcalifornia.edu

The California State University has 23 campuses, over 479,000 students, and is much more inclusive than the University of California system. The top 25% of California high school students are eligible for entry. calstate.edu

The California Community Colleges has 113 campuses, over 2.1 million students, and provides the first two years of college education only. Students spend their first two years at a community college and then transfer to one of the campuses of the University of California or California State University, to complete their last two years of undergraduate study. cccco.edu
The University and Professional Studies program provides a flexible study abroad opportunity for academically excellent students and professionals. Universities in many countries count these credits towards their own bachelor’s or master’s degree programs. Transferability is at the discretion of the home university and must be verified in advance by the student.

Program Features:

• 12-week program
• Official transcript of UC San Diego or UC San Diego Extension grades – credit may be transferable to another college or university in the U.S. or your home country
• Regular academic advising sessions
• Students must achieve above-average final grades in all coursework (“B” or better).
• In the fall, winter, and spring quarters, UPS students take a full-time program (12 units) consisting of UC San Diego and/or UC San Diego Extension courses in any combination.

UNIVERSITY CREDIT PROGRAMS

The following are some of the departments and courses that UPS students have enrolled in:

**Anthropology**
**Bioengineering**
• Biotechnology
• Bioinformatics
**Biology**
• Biochemistry and Cell
• Ecology, Behavior & Evolution
• Human Biology
• Microbiology
• Molecular Biology
• Physiology and Neuroscience
**Chemistry**
• Chemical Education
• Chemical Physics
• Environmental Chemistry
• Molecular Synthesis
**Cognitive Science**
• Clinical Aspects of Cognition
• Computation
• Human Cognition
• Human Computer Interaction
• Neuroscience
**Computer Science**
**Economics**
**Engineering**
• Aerospace Engineering
• Computer Engineering
• Electrical Engineering
• Engineering Physics
• Mechanical Engineering
• Nanoengineering
• Structural Engineering
**Global Policy and Strategy**
**History**
**Linguistics**
**Literature**
**Mathematics**
**Music***
**Philosophy**
**Physics**
**Political Science**

**Psychology**
**Rady School of Management***
(undergraduate only)
• Accounting
• Organizational Leadership
• Global Business Strategy
• Business Ethics & Corporate Responsibility
• Enterprise Finance
• Financial Investments

**Scripps Institution of Oceanography**
• Geology
• Geochemistry
• Geophysics

**Sociology**
**Theater**
**UC San Diego Extension courses**
(many academic areas)
**Visual Arts**
and many more...

Enrollment is on a space-available basis

Enrollment in all classes is on a space-available basis and requires instructor and/or departmental approval after the student arrives. If there are no available spaces, the instructor may require that the student wait for several days to see if any other students drop the class before enrolling a UPS student. Many class enrollments are not confirmed and completed until the second or third week of the quarter. It is especially difficult to get enrollment approvals for first-choice classes in our prestigious Computer Science department.

*Important information about choosing classes

UPS students may not enroll in graduate business courses at the Rady School of Management or any courses in the School of Medicine or the School of Pharmacy. In addition, lesson-based courses in Music are not available to visiting students. It is important to be flexible in your course selection and include a list of 12 or more classes per quarter that you would like to take when applying for admission to the UPS program. For a complete list of all UC San Diego courses please see the “Full Schedule of Classes” section at: students.ucsd.edu

For a list of UC San Diego Extension course offerings please see: extension.ucsd.edu

Students may also enroll in the UPS program in order to complete one or more of UC San Diego Extension’s part-time professional certificate programs.

Tuition does not include optional student recreation fee, optional library use fee, any required course lab fees, or additional premium tuition for certain technical courses and graduate-level courses.

MARIT AL
NORWAY

I have had so many positive experiences at UC San Diego. I am attending interesting, relevant courses for my Master’s degree in Documentary Journalism, and learning from inspiring, passionate professors. The campus is large and beautiful (with a more tropical environment than I am used to) and has a lot of fun activities for students to join in their free time. I have also met many fantastic people, including students from America and all over the world. I will recommend UC San Diego to everyone.
My main goal is to get into a very good graduate program after my bachelor’s degree. By attending the UC San Diego Summer Session, I had an international experience in an outstanding university very well ranked in my major, which is Political Science. This will definitely give a magic touch to my application for Ph.D. programs in the U.S. After completing a Ph.D., I plan to return to Africa to help in community projects to reduce extreme poverty.

The 5-week Summer Session programs are for students who have a strong academic background, and who would like to take a full-time or part-time schedule of credit-bearing courses at UC San Diego. Summer Session consists of regular university courses compressed into a five-week period.

The study workload is very rigorous. A schedule of 8 units (usually two classes) is considered full-time study. Students must achieve above-average final grades in all coursework (“B” or better).

</table>

Additional admission requirements for University and Professional Studies (UPS) program, Summer Session, and International Summer Session:

1. Copy of transcripts in English for the four most recent semesters of academic studies. These transcripts must clearly indicate excellent academic achievement—top 10% in your school.
2. A one-page statement explaining your reasons for choosing UC San Diego for your study abroad experience.

For University and Professional Studies (UPS):
3. List of 12 or more courses per quarter, organized by quarter, that you would like to take at UC San Diego or UC San Diego Extension. Be sure to use the UC San Diego Course List Form on our website under "What to Send" in our "How to Enroll" section. Make sure to check the prerequisites for each class. To be eligible to enroll into classes, all prerequisites must have been taken.

For International Summer Session and Summer Session:
4. International students must have graduated from high school in order to participate in any Summer Session program.

5. In addition to the 2018 International Programs application, students must also submit a 2018 Supplemental Summer Session Application, which can be found on our website: ip.extension.ucsd.edu
6. List of 4 courses per session, organized by session, that you would like to take at UC San Diego. Go to tritonlink.ucsd.edu to see which classes are offered for Summer Session I and II. Under "Enrollment Tools" select "Full Schedule of Classes." Make sure to check the prerequisites for each class. To be eligible to enroll into classes, all prerequisites must have been taken.

Participating in these educational programs does not provide preference in admission to the University of California degree programs. Students interested in applying to UC degree programs should refer to the UC Admissions website, or the websites of other UC campuses they wish to attend, for details about their admissions process.
ACADEMIC CONNECTIONS INTERNATIONAL $6,300

Dates: July 8-28, 2018

Academic Connections International (ACI) is a 3-week summer UC San Diego academic and residential immersion program targeted to international secondary students who are 16-18 years of age and have advanced English proficiency.

Students enroll in one course to explore a particular topic in depth. In addition to a challenging and active learning experience, social and recreational activities are planned for the afternoons and on weekends. This program is for students with strong academic records and advanced English proficiency who would like to have an insightful American pre-university preparation experience along with American teenage students.

Program Features:
• On-campus housing with American students for three weeks, including breakfast, lunch, and dinner at campus cafeteria
• UC San Diego academic instruction and activities
• Project supplies and access to laboratory equipment as part of classwork
• An opportunity to take various chaperoned field trips to local sites
• Constant adult supervision
• Guest speakers

Example courses from 2017 include:
• Audiovisual: Music’s Place in Film, Television and Art
• Borderland Reporters: An Investigation and Book Publication with Actual Hot Air Balloon Construction
• Disease Detectives: An Introduction to Epidemiology
• Exploring Youth Subculture: A Sociological Perspective
• Foundations of Creative Writing
• Gray Matters: Brain Function and Neural Plasticity
• Innovative Writing Across Media: An Introduction to the College Workshop
• Introduction to Bioinformatics
• Introduction to Cognitive Science
• Introduction to Electrical Engineering: Digital Signal Processing
• Introduction to Ethics
• Introduction to Fluid Mechanical Engineering: From a Straw to an Airplane
• Introduction to Logic: From Aristotle to the Information Age
• Introduction to Mechanical Engineering and Materials Science
• Language and Identity for Bilingual Writers
• Media Matters: Stereotypes and Social Change in Popular Media
• Minds, Machines and Mathematics
• Neuroscience: From Brains to Behaviors
• The Philosophy of Addiction and Responsibility
• Scripps Institution of Oceanography: Introduction to Marine Biology
• Scripps Institution of Oceanography: Marine Invertebrates
• Scripps Institution of Oceanography: Introduction to Microbiology

Courses for Academic Connections 2018 will be posted on our website in February 2018. For a complete list of courses offered in previous ACI programs, please see our website: ip.extension.ucsd.edu.

This program does not qualify for an I-20.

The supplemental ACI application can be found on our website under "How to Enroll." For more information, please contact: ipinfo@ucsd.edu.

ACI ADMISSION REQUIREMENTS

| Proof of Language Proficiency | Completed Recommendation Form from secondary school English instructor, attesting to the student’s advanced English proficiency, equivalent to one of the following:
| | • TOEFL iBT 80
| | • Advanced Cambridge level
| | • CEFR-C1

Additional requirements:
• Completed International Programs application and the Supplemental ACI Application found on our website under “How to Enroll”
• Copy of transcripts in English for two most recent years of academic studies, showing a strong academic history
• TB Form (page A6 of the International Programs application form)
BUSINESS ESSENTIALS CERTIFICATE PROGRAM

NICOLE GRYNKRAGUT HAJCZYLEWICZ
BRAZIL

When I initially chose to come to UC San Diego, my main reasons were its well-known name, and the weather in San Diego. The university has exceeded my expectations. The campus is really amazing, with a cozy, cheerful environment. Studying in the Business Essentials program has enhanced my business knowledge, especially relating to American business practices. After UC San Diego, I will finish my degree in Business Administration and get a good job. I believe that all the new experiences and knowledge gained will be applicable in both my professional and personal life. The certificate has helped qualify me to pursue a successful career.

BUSINESS ESSENTIALS (1 QUARTER) $7,000
BUSINESS ESSENTIALS (2 QUARTERS) $11,500
BUSINESS ESSENTIALS (3 QUARTERS) $16,000
For additional costs, see page 27.

Offered Winter, Spring, Summer and Fall quarters.

Program Benefits:
• Gain practical experience in an American workplace by completing an optional 48-hour unpaid on-campus internship.
• Experience a multicultural classroom environment and learn with American students in select classes in quarters two or three.
• Learn business fundamentals from highly-qualified and experienced instructors.
• Apply for Optional Practical Training (OPT), which allows students to work in the U.S. for up to one year, after three consecutive quarters of study.

*See page 21 for admissions criteria.

For more information, contact: bps@ucsd.edu

BUSINESS MANAGEMENT CERTIFICATE PROGRAM

VINEETHA RAVEENDRAN
INDIA

It is universally stated that studying abroad is life-changing, and I’m here to confirm that is totally true. I chose to study the Business Management Certificate program at UC San Diego and I am very happy about this decision. The instructors are reputed professionals who link theory and practice from their own experiences. There are students from all over the world in this program and it is a great platform to understand each other’s culture and make new friends. The classes are interactive and studying alongside other working professionals makes learning fascinating. This program also offers an internship opportunity and OPT, which is indeed a stepping stone to building a career path in the United States.

BUSINESS MANAGEMENT (2 QUARTERS) $11,500
BUSINESS MANAGEMENT (3 QUARTERS) $16,000

For additional costs, see page 27.

Offered Winter, Spring, Summer, and Fall quarters.

Required courses:
• Business Law for Managers
• Elements of Marketing
• Financial Accounting for Non-Accountants (FAFNA)
• Business Economics
• Organizational Behavior
• Directed Studies – Internship Preparation

This program also offers an internship opportunity and OPT, which is indeed a stepping stone to building a career path in the United States.
As I have an engineering education, I wanted to take finance and project management classes to develop my knowledge in Business. The Project Management with Lean Six Sigma Green Belt Certificate helped me in a lot of diverse ways. First, I have been accepted in several companies who are amazed I have so much experience with the Green Belt project, being so young. It gives me knowledge and skills that will prove useful in my internship and in my career: diagnosing the existing situation, analytical skills, building efficient solutions to solve problems. It also teaches change management and how to communicate on this topic, which are key skills to be successful in any job.

25

PROJECT MANAGEMENT WITH LEAN SIX SIGMA GREEN BELT CERTIFICATE PROGRAM (2 QUARTERS) $13,700
For additional costs, see page 27.

Offered Spring and Fall quarters, only.

Designed for:
International students who have five or more years of full-time professional-level work experience or students who have at least a three-year university degree with one year of full-time professional work experience.

Program overview:
Learn the nuances of project management and process improvement from a global perspective. Students will acquire the skills to plan, execute and complete complex projects within various types of organizations and industries. As a project manager, it is imperative to understand how to effectively use Lean Six Sigma to improve quality and streamline process activities. The student will apply newly learned tools and methodologies in both comprehensive real-world and simulated hands-on projects.

*See page 21 for admissions criteria.

Note: Courses subject to change.

For more information, contact: bpis@ucsd.edu

To qualify for Optional Practical Training (OPT), which allows students to work in the U.S. for up to one year after three consecutive quarters of study, you can apply for the Project Management program and an additional quarter of business certificate studies when completing the application. You will receive the bundle price of $4,500 for each additional quarter.
CECILIA GARCIA NORIEGA MARTINEZ DE ALVA
MEXICO

The UC San Diego Extension Business Programs helped me gain the marketing knowledge necessary to start my own business. UC San Diego Extension gave me the confidence I needed in order to gain a competitive advantage as a marketing professional. I was so impressed to see that the instructors in the program had the same dedication, knowledge and experience as the teachers I had during my master’s degree program at UC San Diego. The program provided the opportunity to network with local business professionals. I have applied for OPT and plan to work in the U.S. for a while before starting my own business.

BUSINESS ANALYTICS (1 QUARTER) $7,000
DIGITAL MARKETING (1 QUARTER) $7,000
LEADERSHIP AND MANAGEMENT (1 QUARTER) $7,000

After your initial quarter, you can choose to take an additional one-quarter program for $4,500. For additional costs, see page 27.

Program benefits:
- Students have the opportunity to apply for one, two, or three One-Quarter Certificate programs.
- Hands-on experiential project connects your classroom education with real-world businesses.
- Courses are led by practicing industry experts.
- Experience a multicultural classroom environment and learn with American students in select classes.
- Schedules are designed to give you the freedom to explore California and the opportunity to attend local professional networking events.

Offered Summer quarter

The expanding field of business analytics is fundamental to all facets of business across all industries, including marketing, finance, and research. Acquire a comprehensive introduction to the vast Business Intelligence field including advanced topics such as Big Data and Predictive Analytics.

Courses:
- Overview of Business Intelligence and Data Analysis
- Introduction to SQL Programming
- Advanced Excel for Analysis and Business Intelligence
- Dashboards and Data Visualization for Data Analysis
- Business Intelligence Project

Program overview:
Enhance your skills and career marketability through focused study. Build your career portfolio and apply newly learned tools in a real-world project.

Offered Spring, Summer, and Fall quarters

This program provides a strong foundation in digital marketing skills while keeping students informed on emerging topics and trends. Acquire the core knowledge and skills needed to design innovative marketing plans, implement successful marketing tactics, and advance your career through a hands-on project with a local company.

Courses:
- Digital Marketing
- Content Marketing
- Digital Marketing Analytics
- Marketing Project
- Sample Electives: Behavioral Economics, Search Engine Optimization (SEO), Advanced Digital Marketing, or Elements of Marketing.

Offered Spring, Summer, and Fall quarters

Develop your leadership skills and build your ability to influence others in the workplace. This program gives you the opportunity to join a learning community of professionals while participating in a real-world project.

Courses:
- Managing for Maximum Performance
- Business Communication Skills
- Work Team Concepts
- International Business Project
- Elective: Choose an additional class in your area of interest.
Is there a deadline to apply?  
Space is limited and the admissions review is competitive. We recommend you apply early to allow time for your application to be reviewed and for your visa processing. Visa processing may take several months. Not all applicants are admitted to the programs. Note: No applications will be accepted within ten days before a program's start-date.

Can I apply without all the required documents?  
No. You will need to wait to apply until you have all the required documents. The only exception is if you have all the required documents except the language score AND you are currently attending the UC San Diego Extension English Language Institute (ELI). Only students who attend UC San Diego-ELI can apply for conditional acceptance to the business certificate programs.

What is conditional acceptance?  
It means you are provisionally accepted based on all requirements except for the language score. This is strictly for students currently attending an 8- or 10-week English language program at UC San Diego Extension ELI.

What is Optional Practical Training (OPT)?  
Students may apply for Optional Practical Training (OPT), which allows students to work in the U.S. for up to one year, after three consecutive quarters of study in any business certificate program.

Is a car required?  
Yes, access to a car or other reliable transportation is required, as some classes (day and/or evening) are located at the off-campus UC San Diego Extension facility (University City Center), which has very limited or no public transportation.

For Business Essentials:
- Minimum of two years full-time university study required
- Must be 20 years old by the program start-date

For One-Quarter Business Certificates:
- Preferred successful completion of a university degree OR three years of full-time professional experience

For Business Management and Project Management with Lean Sigma Six Green Belt:
- Minimum requirement is successful completion of a university degree OR five or more years of full-time professional-level work experience.
- Minimum of one year of full-time professional-level work experience for degree holders. Full-time internships are acceptable.

</tr>
</tbody>
</table>

Additional requirements:
1. Copy of transcripts in English for the two most recent years of academic studies
2. A one-page statement explaining why you would like to take a TEFL certificate program

BENEFITS OF TAKING OUR TEFL PROGRAMS

- Study alongside American students
- Develop effective ESL/EFL teaching skills and learn first-hand from experienced ESL/EFL Instructors
- Qualify for Optional Practical Training (OPT) after three consecutive quarters of certificate study
- Transfer credits from UC San Diego Extension’s Teaching English as a Foreign Language (TEFL) Certificate Programs to the Master of Arts in Education with an emphasis in Teaching English to Speakers of Other Languages (TESOL) at The Graduate School of Education at Alliant International University in San Diego

TEFL PROFICIENCY CERTIFICATE $4,750
For additional costs, see page 27.

This three-month program is a foundation course in TEFL.

What this program includes
The curriculum consists of the following core courses:
• Introduction to Teaching Pronunciation and Fluency for Language Teachers (3 units)
• Introduction to Teaching English as a Foreign Language (3 units)
• Introduction to Teaching Writing (3 units)
• Oral Presentations for Language Teachers (3 units)

Note: Students who transfer directly from an 8-week or 10-week UC San Diego-ELI English program, or from another UC San Diego-ELI TEFL program, will get a $250 USD discount on their tuition for this TEFL program.

TEACHING ENGLISH TO THE YOUNG LEARNER (TEYL) $4,750
For additional costs, see page 27.

This full-time program is excellent for students who are interested in attaining additional competencies in teaching English as a foreign language to young learners.

What this program includes
The required courses are:
• TEYL Focus on the Classroom (3 units)
• TEYL Focus on the Learner (3 units)
• TEYL Focus on the Teacher (3 units)
Students must choose an additional 3 units from the available electives each quarter.

Note: Students who transfer directly from an 8-week or 10-week UC San Diego-ELI English program, or from another UC San Diego-ELI TEFL program, will get a $250 USD discount on their tuition for this TEFL program.

SPECIAL STUDIES IN TEFL $4,750
For additional costs, see page 27.

This is a full-time, three-month program of select courses in TEFL and other academic areas to enhance teacher preparation. Students must choose and enroll in a total of 12 UC San Diego Extension units, with the advice and approval of the TEFL Coordinator. No online courses will count towards the Special Studies in TEFL program. All courses must be taken face-to-face in this program.

Note: Students who transfer directly from an 8-week or 10-week UC San Diego-ELI English program, or from another UC San Diego-ELI TEFL program, will get a $250 USD discount on their tuition for this TEFL program.

Class Schedule and Transportation
Individual schedules depend on emphasis and electives chosen. All daytime TEFL classes are available at the UC San Diego campus, but access to a car or other reliable transportation may be required for evening classes. Early enrollment is strongly recommended for best selection of courses and class times.
The teachers were definitely my favorite part of my experience at UC San Diego’s English Language Institute. I was motivated by their commitment and passion for teaching. By taking the TEYL certificate, I acquired more teaching techniques, skills, and practice in teaching young students in the early stages of learning English. I now teach English to 4th and 5th grade girls at a school back home in Santiago.
Nicknamed the Silicon Valley of Southern California, the San Diego region boasts a wide array of companies in technological, life sciences, financial, telecommunications, and software industries:

- 800+ Cleantech/Environmental
- 600+ Sport Innovators
- 3,000 IT/Wireless/Communications/Software
- 80+ Research Institutes
- 260+ Defense/Transportation
- 600+ Biomedical/Life Sciences
- 50+ Mobile Health and Genomics
- 75+ Bioinformatics
- 75+ Cybersecurity and Autonomous Robotics
- 250+ Biofuels/Solar Energy and Energy Storage

The mild climate, beautiful landscape, and the many cultural and entertainment attractions of San Diego, complement the training experience by providing many opportunities for recreational and cultural enjoyment.

**CUSTOM PROGRAMS**

UC San Diego Extension International Programs department has a long and rich history of offering high-quality customized programs and seminars for international groups of students, professors, and professionals. We can create the perfect combination of studies and services for a group of any size, according to your specifications.

To receive a Custom Program Inquiry Form, please send your request to ipmarketing@ucsd.edu.

In collaboration with UC San Diego main campus and UC San Diego Extension departments, we have developed and delivered custom programs for many years in the following areas:

- Innovation and Entrepreneurship
- Healthcare Leadership and Management
- Oral Presentations and Public Speaking
- Business, Economics and Trade
- Engineering and Technology
- University Faculty Development
- University Management
- University Student Affairs Development
- English Language Teacher Training
- Science Teacher Development
- University Academic Preparation
- Pharmacy Studies
- English for Pharmaceutical Studies
- Global Marketing
To help students make the most of their stay in San Diego, our Activities Coordinator organizes activities that provide opportunities to meet American students and to go on excursions to nearby attractions.

- Day at the Bay Barbecue & Water Sports
- Disneyland
- San Diego Zoo
- SeaWorld
- Universal Studios
- Whale Watching
- Conversation Café
- San Diego Padres Baseball Games
- Paintball
- Surf Day

Some activities, such as the Day at the Bay and the Conversation Cafés, are free of charge. Others require a payment to cover transportation and admission tickets.

**UC San Diego Sports and Events**

While studying at UC San Diego Extension, students can take advantage of many UC San Diego campus facilities. The university is great for outdoor activities and has one of the most comprehensive sports facilities among San Diego schools:

- Indoor and outdoor swimming pools
- Over 20 tennis courts
- Beach volleyball and basketball courts
- Soccer fields
- An aquatic center
- Sailing
- Surfing

For more information on UC San Diego sports and events, visit:
- recreation.ucsd.edu
- calendar.ucsd.edu

**San Diego Attractions**

The year-round mild climate, beautiful beaches, and proximity to many other California attractions, make San Diego the ideal location for a variety of leisure activities, such as:

- Beaches, deserts, and mountains
- Hiking and biking trails
- Museums
- Playhouses and theaters
- Music and symphony halls
- Shopping and restaurants

For more information about San Diego, visit:
- entersandiego.com
- sandiego.org

**California and the West**

San Diego is an ideal starting point for weekend trips to some of the most exciting attractions in the American Southwest, such as Joshua Tree National Park, Yosemite, the Grand Canyon National Parks, and Las Vegas.

Apply at ip.extension.ucsd.edu
GENERAL INFORMATION

HOW TO APPLY
Download the International Programs application form at ip.extension.ucsd.edu, “How to Enroll.”

WHEN TO APPLY
It is best to apply 12–16 weeks before the program start-date to allow enough time for us to process your application and for you to make your visa and travel arrangements.

MINIMUM AGE REQUIREMENT
You must be at least 20 years old to apply to the business certificate programs, and 18 years old to enroll in other programs. Seventeen-year-old students may be admitted when living with an adult guardian and the parents submit a letter attesting to the student’s maturity. For more information please contact ipadmission@ucsd.edu. Guardianship services are available through Family Abroad Homestay (fahomestay.com). This age requirement does not apply to the Academic Connections International youth program.

PAYMENT
Total fees and tuition must be received in our office 30 days prior to the published program start-date. Accepted methods of payment: cash, credit card (VISA/MasterCard/AMEX/Diners Club/JCB/Discover), traveler’s checks, personal check, money order, cashier’s check (drawn in U.S. currency on a U.S. bank), or bank-to-bank transfers using Western Union Business Solutions online. We cannot accept payment by bank wire for the application fee or express mail fee. Please pay these fees by credit card or check (U.S. bank only).

It takes 10 – 15 business days for payments to be applied to your account. It is important to talk with your bank before sending credit card details because payments made by credit card are sometimes delayed due to credit card limits. Due to these delays, we strongly recommend that you or your agent complete payment of all tuition and fees at least 45 days before their program start-date to ensure timely receipt and recording of payment and to avoid delays in the beginning of your program.

FEES FOR LATE REGISTRATION
If you arrive on time and you are not able to complete registration by the end of the first day of the program or if you arrive late, we will charge you a $200 USD Late Registration Fee. You should be sure to arrange your travel to San Diego and accommodations in advance so that you can be here for the first day of the program. The first day of the program is the published start-date in our brochure and on our website.

If you pay all fees to an agency, you must bring an agency receipt to the program registration to verify that all payments to an agency have been made.

CERTIFICATES
Certificates with the UC San Diego university seal are awarded upon successful completion of your program. Excellent attendance and academic performance are essential for certificate eligibility in all programs.

WITHDRAWALS AND NON-REFUNDABLE FEES
All fees are non-refundable and non-transferable. The non-refundable, non-transferable fees are the following: application, testing, medical insurance, International Student Service, express mail, bank-to-bank transfer, program change, late registration, and cancellation.

Students who apply through an agency or representative are subject to the agency refund policy and will receive any refund through their agency, not from UC San Diego. All refund requests must be in writing. All fees are subject to change. Please ask about current fees at time of withdrawal or change of program. Refunds take approximately 5-6 weeks to process.

Note: We recommend paying of tuition and fees by credit card. If you cancel or withdraw from a program, a refund to a credit card takes just 7-10 business days. A refund to you by any other means can take 5-6 weeks to process, plus 4-10 weeks for overseas mail delivery.

STUDENT VISAS
UC San Diego Extension International Programs is authorized under federal law to enroll non-immigrant alien students. We issue the Form I-20 to students who meet our admission requirements and who provide evidence of sufficient financial verification. Almost all students in our full-time programs come to the United States on F-1 student visas. In order to apply for an F-1 student visa, you will need a Form I-20 (Certificate of Eligibility for F-1 Visa). You then take this I-20 to a U.S. Embassy or Consulate and apply for an F-1 Visa.

If you plan to apply for an F-1 visa, please complete the I-20 Request section on page A4 of the application form and provide signatures and a statement of financial verification as indicated. You can find our application form on our website: ip.extension.ucsd.edu under the tab called “How to Enroll.”

If you are in any doubt about which kind of visa you need, we recommend that you ask either your local counseling source or the U.S. Embassy or Consulate for information. You may also contact our office at ipinfo@ucsd.edu.
### APPLICATION FEE (REQUIRED)
Application fee must be paid by credit card at the time of the application.
- English Language Programs: $150
- University Credit Programs: $200
- Certificate Programs: $200

### EXPRESS MAIL FEE $50 (OPTIONAL)
If you would like express mail delivery of the I-20, this fee is due with the application. It is strongly recommended because regular airmail can take 10-12 weeks for delivery. The fee may vary depending on location.

### ISS PROGRAM CHANGE FEE $150
This fee is required each time you want to change programs or program dates after submitting the original application for enrollment.

### LATE REGISTRATION FEE $200
This fee is required if you are not able to complete registration by the end of the first day of the published program start-date, or if you do not arrive on the first day of the program.

### INTERNATIONAL STUDENT SERVICES FEE (REQUIRED)
You have access to many University Extension resources, including computer labs, academic advising, counseling, housing assistance, campus Student Health Services, assistance with medical insurance matters, planning and implementation of recreational/social activities, a photo ID card, and many other general student needs.

#### AIRPORT TRANSPORTATION
The San Diego airport is located in downtown San Diego, about 30 minutes from the UC San Diego campus by car and about 1 hour 20 minutes by bus.
- Homestay or rent a room in a home—For an additional fee your host family will pick you up and bring you to the San Diego airport when you return to your country at the end of your UC San Diego studies. Ask about airport transportation when booking accommodation.
- Near-campus apartments by Anatolia—Airport pickup service may be included for stays of 10 weeks or more. Ask about cost when booking for stays of less than 10 weeks.
- Off-campus housing by the Residence Inn by Marriott La Jolla—Information about a discount shuttle will be provided after reservation confirmation. Ask when booking for details.
- On-campus housing (summer only)—Information on airport shuttle and taxi transportation is included with UC San Diego Extension International Programs’ acceptance materials.

#### BOOKS AND INSTRUCTIONAL MATERIALS
Books and materials are not included in the program tuition. Payment for all books and instructional materials CANNOT be made in advance and must be purchased upon arrival at UC San Diego.
- ELI 8- and 10-week Programs: approximately $300-$500 per program
- ELI Short-term Programs: approximately $150-$175 per program (varies by program)
- Certificate and University Credit Programs: Approximately $200-$800 per quarter.

### COMPUTER LABS AND INTERNET ACCESS
All international students have access to two computer labs (46 stations) at UC San Diego Extension. Preference for computer lab use is given to class-related work. All computers have high-speed internet connections and are functional in multiple languages. Printing costs 10 cents per page; no cost for computer use.

### LIBRARY CARD (OPTIONAL)
You can use the campus library without charge. To borrow books, however, you must buy a library card: approximately $15 per quarter.

#### MEDICAL INSURANCE (REQUIRED)
UC San Diego Extension medical insurance is mandatory for all students. Students with sponsors who provide medical insurance that meets our minimum requirements can request a Medical Insurance Waiver form from iphealth@ucsd.edu.

- Programs shorter than 4 weeks: $45 per week
- 2-week programs: $90
- 4-week programs: $180
- 5-week Summer Session: $225
- 8-week programs: $405
- International Summer Session: $450
- UPS and IPU programs: $585
- Certificate & University Credit Programs - 1 quarter: $585
- Certificate & University Credit Programs - 2 quarters: $1,170
- Certificate & University Credit Programs - 3 quarters: $1,800

**Note:** Between certain programs, there are gaps in insurance coverage. You must purchase additional insurance coverage for any gap period. The UC San Diego Extension medical insurance policy for international students covers hospitalization, with some exceptions, and many other medical expenses, but not dental or eye care. You can purchase dental and vision plans at an additional cost. Medical insurance is non-refundable. Accompanying spouses or children should also have medical insurance for the duration of your enrollment at UC San Diego. Medical insurance for a spouse or children of UC San Diego Extension IP students is $35 per week per person. UC San Diego Extension medical insurance for your accompanying dependents is available for purchase if you have purchased UC San Diego medical insurance. For information on this requirement, contact our staff at iphealth@ucsd.edu. **Note:** Medical insurance fees are subject to change.

#### HOUSING
See pages 28-29. Also check ip.extension.ucsd.edu for updated information and additional details on housing options for UC San Diego Extension international students.

#### MEALS
The cost of meals varies greatly depending on budget and tastes, but a good meal costs about $8 - $10. Note that some housing choices include some meals. Homestay, for example, includes breakfast and dinner, and on-campus housing in summer includes three meals per day.

#### UC SAN DIEGO PHOTO IDENTIFICATION CARD (OPTIONAL)
The cost of one UC San Diego photo ID card is included in the ISS fee. You will pay $15 USD to replace a lost photo card.

#### RECREATION CARD (OPTIONAL)
To use the campus swimming pools, tennis courts, fitness centers, and other campus recreational facilities, you must buy a "Rec Card," which is approximately $110 per quarter.

#### TRANSPORTATION (OPTIONAL)
- Bike rental: approximately $45 per week, or $130 per quarter.
- Shuttle service: free with student photo ID
- Bus pass: Quarterly passes are approximately $150 and monthly passes are approximately $75. Prices are subject to change.
- Car rental: approximately $500 per month.
- Parking on campus: approximately $61 per month. See parking.ucsd.edu.

#### OPT APPLICATION ASSISTANCE (OPTIONAL)
We provide advising and application assistance to students who apply to the U.S. Citizenship and Immigration Services for permission to work in the U.S. for up to one year under the Optional Practical Training benefit. (See page 13.)

**Cost:** $100 (Government filing fees are a separate cost.) Please Note: All fees are subject to change.
**HOUSING**

- Sheets, blankets, towels and some housekeeping included
- Internet access available for a small set-up fee
- You live with other international students

### THINGS TO CONSIDER

- Host or host families do not provide transportation (except San Diego airport pick-up and drop-off for a fee, if requested)
- Average commute by bus is 45 minutes (maximum 60 minutes door-to-door)
- Internet access is available, but students will need to provide their own computers
- Renting a room does not include meals, but you can do light cooking and clean the kitchen when you are done

- Meals not included. Fully accessorized kitchen is provided so you can cook your own meals
- You must share your bedroom, bathroom, kitchen and living area (two people to a room, four to an apartment, two bathrooms per apartment)
- Same-gender apartments. (Accommodations for couples are available upon request.)

- No kitchen utensils or dishware
- You must follow campus rules. (For example, smoking is not allowed anywhere on campus and no alcohol unless you are over 21 and inside your room.)
- The nearest cafeteria is a 10-minute walk away and has a fixed schedule.
- TV and telephone are not provided: installation is available for an additional fee.
- Campus parking permit not included
- Arrange your own airport shuttle. Instructions are provided with your acceptance materials.
- There are no private bathrooms; one bathroom per apartment
- You have to share the bathroom, kitchen and living area; usually four or five people per apartment; student-style, simple living
UC San Diego Extension is a proud member of the UC Extension International Programs Consortium. UC San Diego ELI is a member of the American Association of Intensive English Programs and accredited by the Commission on English Language Program Accreditation.
