ACADEMIC & WRITING SKILLS

Academic Writing
Improve accuracy in writing mechanics, all areas of grammar, and the essentials of effective writing style and organization. Lectures will instruct you on writing summaries, abstracts, technical reports, and academic papers.

Scientific & Technical Writing for Non-Native English Speakers
The specific styles and usage conventions of various scientific fields will be covered. Focus on clarity and idea development, strength of expression, and editing to eliminate problems with grammar and usage.

GRAMMAR & VOCABULARY SKILLS

Grammar and Vocabulary Building
Build your grammatical competence through extensive contextualized practice at the sentence level. Increase your vocabulary and vocabulary retention.

CONVERSATION & SPEAKING SKILLS

Advanced Conversation Improvement
With daily conversation topics and constant practice, this course emphasizes improvement in overall conversational fluency in an active learning class environment.

Effective Oral Presentation
This course addresses oral communication problems in formal academic and professional settings such as interviews. Learn the importance of clear pronunciation, precise vocabulary, appropriate format, and group management skills.

PRONUNCIATION & FLUENCY SKILLS

Advanced Pronunciation and Fluency
This course is designed for ESL speakers who are familiar with the English sound system and their own pronunciation problems. Expand your skills in correctly applying English patterns of stress, intonation, linking, and reductions.

IDIOMS & SLANG

American Idioms and Slang for Fluency I
Learn roughly 50 common idiom and slang terms. Activities online may include voice recording of oral production of idioms, sentence writing, fill in the blank, and multiple-choice.

MEDICAL ENGLISH SKILLS

Medical English II
Learn vocabulary associated with the skin, lymphatic/hematic, and urinary systems.

Delivery Method Descriptions:
- **Online** = Class will be entirely online and asynchronous. Students will work at their own pace to complete the required weekly coursework. There will be no required virtual class meetings although instructors may choose to hold optional virtual meetings for students to attend.
- **Live Online** = Class will meet online via Zoom on the days and times listed. Students must attend the weekly online class meetings. There will also be required asynchronous work for students to complete independently.
- **In-Person** = Class meetings will be held at our La Jolla Extension Campus. Students must physically attend in-person class meetings. There will also be required asynchronous work for students to complete independently.

IMPORTANT! Please note that due to COVID-19 all courses are subject to changes and cancellations. If a course delivery method is changed or a course is cancelled, students will be notified via email in a timely manner.
