

The [Professional Development Institute \(PDI\)](#) has been offering quality online courses for PreK-12 educators for over 23 years. In association with UC San Diego Extension, PDI offers post-baccalaureate (at the graduate level) credit for all PDI online courses. PDI online courses are convenient, practical, affordable, and reputable.

PDI has over 60 courses to choose from including courses on social-emotional learning, classroom management, using Google apps, integrating technology, culturally-responsive teaching, Common Core, anti-bullying, and character education as well as content-specific courses for reading, writing, math, and science. Courses are conducted entirely online and are instructor-led. You do not have to go anywhere or be online at any specific time. Take a look at the complete list of courses below.
