**Free
event!**

Join us for a special event featuring speakers from the Institute of Internal Auditors, San Diego Chapter (IIA-SD) who will talk about the many professional areas involved in the field of internal auditing. Hear about their career paths and gain insight on what happens in a typical day. Our speakers will discuss different areas encompassing internal auditing such as internal control, risk management, data analysis, governance, IT audits and security. This is an opportunity to ask questions and gain insight into the world of internal auditing.

WHO SHOULD ATTEND

- Accounting and Finance professionals curious about the field of Internal Auditing
- Business professionals who want to discover the role internal auditing serves in strategic decision making
- Students and recent college graduates who are curious about the world of internal auditing

SALARY MIDPOINT

- **Internal audit manager:** \$116,500
- **Internal auditor (senior):** \$90,250
- **Internal auditor (1–3 years of experience):** \$73,500
- **Internal auditor (up to 1 year of experience):** \$48,000
