You may also purchase a parking pass without an app by going to this website and following the steps above on the same day you plan to attend. You may schedule ahead before coming to campus: app.parkmobile.io/login

Please note that it takes 5-7 days for new members to be able to purchase the Osher "A" permit. You may still park on campus during this time but you must park in a "V" spot using either a pay station permit or the ParkMobile smartphone application Zone 4752 code.
